Important Notice to All Faculty & Post Graduate Students

Amendment to guidelines for the preparation of Theses and Research papers with effect from Academic Year 2009-2010

The specifications regarding the spacing used in the production of manuscripts for Masters and PhD Theses has been amended to allow the following:

Theses can now be submitted with 1.5 spacing between each line. Single spacing continues to be acceptable for long quotations, footnotes, bibliographic items, appendices and sub-sections of the Table of Contents.

For more information please visit the document library at the Graduate Studies website www.cavehill.uwi.edu/Gradstudies or consult you Liaison Librarian for assistance.
