

FINANCIAL INFORMATION FOR GRADUATE PROGRAMMES

Cost of Graduate Programmes

Graduate programmes are considered in two categories.

- 1) Programmes funded by the University Grants Committee (*referred to as UGC-funded*), and
- 2) Programmes which not UGC-funded (*referred to as Self-Financed*).

Explanation of Terms re: cost of UGC-Funded Programmes

The cost of a UGC-funded graduate degree programme comprises an **Economic Cost**, a **Tuition Fee** and **University Fees**. **Sponsorship** of a student refers to a situation in which the **Economic Cost** *, and in some cases the **Tuition Fee**, is paid to the University on behalf of the student by a third party. All fees are set by University Council and revised annually.

Contributing Countries are those which contribute to the recurrent budget of the University of the West Indies. These are listed in **Table 1**. Sponsorship of citizens of Contributing Countries by their Governments for graduate degree programmes is dependent on the policy of the individual Government.

* UGC fees quoted for citizens of Contributing Countries (*except the three Campus Countries - Barbados, Jamaica and Trinidad & Tobago*) include a discount of approximately 66% of the Economic Cost.

Schedule VI gives the list of UGC-funded programmes while fees for these programmes are shown in **Schedule V**.

Students from Caribbean Countries not listed as Contributing countries, International students, and students from Contributing countries who are not sponsored are responsible for the full payment of their programme fees.

Table 1 - Contributing Countries of the University of the West Indies

Anguilla	Antigua & Barbuda	Barbados
Belize	British Virgin Islands	Dominica
Grenada	Jamaica	Montserrat
St Kitts/Nevis	St Lucia	St Vincent & the Grenadines
The Bahamas	The Cayman Islands	Trinidad & Tobago

All students are required to register on-line and pay the **University Fees (Guild Fee and Amenities Fee)** – every semester until their degree has been awarded. The **ID card fee** is billed on first registration.

Fees Payable for Self-Financed Programmes

Schedule VII shows the list, cost and credits of Self-Financed programmes.

Special Student Categories

Students who wish to **read courses outside a degree programme** are referred to as **Specially Admitted Students**. Fees for reading courses in **UGC-funded** programmes are shown in **Schedule I**. Fees for Specially Admitted students in **Self-Financed** programmes are outlined in the notes to **Schedule VII**

Students who wish to **audit courses** in **UGC-funded** programmes without being examined are referred to as **Occasional Students**. The fees for auditing courses are shown in **Schedule II**.

Administrative fees for students who have been given permission to register for **Examinations Only** in a course which they have previously failed are shown in **Schedule II**.

Persons registered with other Universities pursuing courses in **UGC-funded** programmes at the U.W.I. are termed **Study Abroad Students**. The fees for these students are given in **Schedule III**.
