THE ARMS OF THE UNIVERSITY

The arms of the University consist of a shield and a crest. The background of the shield is the sea represented by blue and white wavy lines on which is an open book. The upper part of the shield is red with a lion to show the connection with the Crown. This is the lion borne by H.R.H. Princess Alice, Countess of Athlone, appointed by King George VI to be the first Chancellor, so that this appointment is recorded forever in the Arms of the University.

The crest is the brown Pelican which fishes in its prehistoric fashion along the coast of all the Caribbean Lands: the Pelican is a symbol of care for the young because of the medieval, but untrue, belief that it punctures its breast to feed its young on its blood. It is also used as a crest by the Corpus Christi Colleges of Oxford and Cambridge.

The motto is:

“Oriens ex Occidente Lux:
A Light Rising from the West”
A very warm welcome to each one of our new students!

You are now part of a large and diverse family comprising approximately 50,000 students and 5,000 staff at our four campuses, more than 120,000 alumni represented at the highest levels of government, corporate and professional life across the Caribbean and worldwide. There is probably no profession or sector of Caribbean society in which UWI graduates cannot be found. At least 17 of our graduates have risen to positions as Heads of Government or State and one is a Nobel Laureate. We boast more than 60 Rhodes scholars, and countless leaders of all the professions proudly call The UWI their alma mater. This year, the 2014-2015 academic year is extra special as we welcome the Turks and Caicos Islands as our newest contributing country, broadening the UWI family even more. The richness of this tapestry is one to be embraced wholeheartedly and you are encouraged to learn about your University, the countries and cultures that make us so unique and the wonderful people who comprise our community. There is a tremendous amount of talent at The UWI and throughout my tenure as Vice-Chancellor I have never ceased to be impressed by the diverse areas of interest and the keen intellect of students and staff. Their commitment to improving the lives of the societies we serve is also a tremendous inspiration to me.

The next few years are as much about academics as they are about your physical and emotional development. Form good friendships and value them. Social networking extends beyond your years at University and some of the friendships you make will last a lifetime. Take every opportunity presented you to travel to another campus or another of the countries served by the UWI. The UWI Games which takes place very two years is a wonderful opportunity to meet your counterparts at another campus. We also hope that your relationship with us will extend beyond your graduation and that you will continue to be engaged as alumni.

Each year, our new students inspire in us enthusiasm and hope. We are committed to ensuring that we deliver programmes of high quality and relevance to national and regional development. Your enthusiasm and engagement and presence help
us to stay the course. Our contributing Governments have been supportive through funds provided directly to the university and support to students. However, we are mindful of the challenges they themselves face in meeting their many obligations and your University has been making efforts to diversify the funding base to complement the existing funding sources. Your responsibility will be to ensure that the resources expended in your training are maximised as much as possible. Whether you are funded by your Governments, your families or yourselves, it is an investment in your future, in our collective future and we commit to providing you with the best that we can give to enable your success.

I will demit office as Vice-Chancellor of this noble institution in 2015 and will not be there when you graduate. It has been a pleasure for me to attend the Matriculation ceremonies over the years to greet our incoming students. That pleasure is overtaken only at the graduation ceremonies as those students receive their certificates! As an alumnus myself, I can attest to the tremendous contribution that The UWI has made to my own life. My wife and I met at Mona and together we formed friendships that have withstood the test of time and distance. My wish for each of you is for a fulfilling and rewarding experience; that you form meaningful friendships and connections that will support you throughout your professional and personal lives and that you acquire and develop those life skills that will ensure you put your academic training to best use. Above all, be caring of yourselves and of others around you. You are our future.

My very best wishes for a wonderful UWI experience.

Professor E. Nigel Harris

Vice-Chancellor

The University of the West Indies
MESSAGE FROM THE PRINCIPAL

It is with the very greatest of pleasure that I welcome you, our new and returning students to the University of the West Indies, Cave Hill Campus. We are also extremely pleased to embrace our growing numbers of regional and international students.

We especially wish to commend our Barbadian students on their decisions either to enter the Campus for the first time or to return to complete their studies. We are well aware that this decision was made within the context of the great challenge of finding tuition fees for the first time. We know also that your decision would have generated great personal and family sacrifices. But we are reminded of the comment of the great leader Martin Luther King Jr. that the ultimate measure of a person is not where he or she stands in moments of comfort and convenience, but where he or she stands at times of challenge and controversy.

Your determination to continue your education amply demonstrates that you understand the critical importance of education to peoples of small island states, and that individually and collectively you, the brightest and most talented young persons of our regional, stand for development and progress.

The Cave Hill Campus salutes the academic achievements that have allowed you to enter our institution. We are committed to supporting your goals by providing you with first class opportunities for advancement within your chosen discipline. In this regard and in keeping with international best practice, in 2013, the Cave Hill Campus was awarded Institutional Accreditation by the Barbados Accreditation Council for a period of six years.

In order to have earned this distinction, the Campus not only undertook a process of self-examination but also opened its doors to a rigorous and comprehensive review by a panel of regional and international experts. We are pleased to report that our academic systems have been adjudged to be sound, and to meet best international practice and that our formal mechanisms meet fully the expectations of the standard
on teaching and learning with respect to planning and evaluation of programmes and student assessment.

We continue to demonstrate our commitment to our students by instituting our new Students Charter which outlines what you, our students, may expect from the University as well as what the University expects from you. Our system of annual students’ surveys provides you with the opportunity to articulate how well we are keeping our promises to you.

We know that the next few years will bring many challenges, be they financial, academic or personal but we also know that you have the resilience and strength of character to emerge triumphant. We know that you will endeavor to obtain the maximum benefits from the range of opportunities available on this campus; that programmes such as Student Entrepreneurial Empowerment Development (SEED) Programme will enhance your entrepreneurial skills; that you will give back to the community through our service-learning programmes and that you will explore opportunities to mix academics and sports through the wide range of activities provided by Sport Cave Hill which builds on our growing national recognition in areas such as cricket, chess, netball, hockey, volleyball and football.

We are sure that as you develop academically and advance towards your chosen profession you will remain grounded in service to family, community, nation and region. On behalf of the Campus Community I wish you the very best in all your endeavours.

Pro-Vice-Chancellor and Principal

THE UNIVERSITY OF THE WEST INDIES, CAVE HILL CAMPUS IN BRIEF

The University of the West Indies (UWI) is a regional university serving the English-speaking Caribbean countries of Anguilla, Antigua and Barbuda, Barbados, Belize, Bermuda, Dominica, Grenada, Jamaica, Montserrat, Federation of St. Kitts and Nevis, St. Lucia, St. Vincent and the Grenadines, The Bahamas, The British Virgin Islands, The Cayman Islands, The Turks & Caicos Islands and Trinidad & Tobago. The University started in Jamaica in October, 1948 as the University College of the West Indies, in a special relationship with the University of London. It was subsequently granted University status in 1962. Colleges of Arts and Science were established at St. Augustine in Trinidad in 1962 and at Cave Hill in Barbados in 1963.

The University started in Jamaica in October, 1948 as the University College of the West Indies, in a special relationship with the University of London. It was subsequently granted University status in 1962. In the following year Colleges of Arts and Sciences were established at St. Augustine in Trinidad and at Cave Hill in Barbados.

The Cave Hill Campus began in 1963 as the College of Arts & Science in temporary quarters at the Deep Water Harbour, Bridgetown. In August, 1967, the College moved to its present site at Cave Hill. The College became a full campus with the establishment of the Faculty of Law in 1970 and the name was changed to the Cave Hill Campus of The University of the West Indies.

The main Campus is currently located on 47 acres of land which the UWI holds on long-term lease from the Government of Barbados. The Campus was originally designed to accommodate about 500 students. The present enrolment is approximately 9,000. The physical expansion has taken place in a manner sympathetic to the original architectural design of low-rise buildings, simplicity and orderliness. This, combined with the scenic attractiveness of the site, and the relatively small size of the University community has resulted in an atmosphere of intimacy and friendliness which is immediately felt by visitors to the Campus.

In 2008 the Government of Barbados granted an additional 33 acres of land contiguous to the existing campus, which the University is currently in the process of developing. The Graduate Studies Teaching Complex and the new FIFA-rated football field are located on this site. With subsequent lease arrangements with Government and a private donation, the land area of the Campus has expanded to approximately 98.12 acres.

From its nascence in 1963 as the College of Arts and Science, the Campus has become a leader in tertiary education in the Barbados and a beacon of academic excellence throughout the region as well as internationally.

In 2013 Cave Hill celebrated its golden anniversary and reflected with pride on its contribution to regional development and the upliftment of Caribbean people.
BARBADOS in brief

- Barbados is the most easterly island of the Caribbean island chain. The closest islands are St. Vincent & the Grenadines and St. Lucia which are located to the west, and Trinidad and Tobago located to the south. Barbados is located approximately 2,573km (1,600 miles) southeast of Miami, Florida.

- The island is 430 sq. km (166 sq. miles), measures 33.79km (21 miles) long by 22.53km (14 miles) wide and is divided into eleven parishes. The capital city, Bridgetown, is located in St. Michael. Historic Bridgetown and the Garrison area were designated a World Heritage Site in June 2011.

- Barbados falls within the Atlantic time zone. The standard time is Greenwich Mean Time minus four hours. Barbados has no daylight saving time.

- Bounded by the Caribbean Sea and the Atlantic Ocean, Barbados enjoys north-east trade winds all year which help to keep the island cool. The climate is warm throughout the year, with a dry season from December to May, and a rainy season between June and November. The average temperature is 28 degrees Celsius (82.4 degrees Fahrenheit).

- Barbados was first inhabited by the Arawak Indians who migrated from Venezuela. It is believed that they inhabited the island from 350-400 BC. When the British arrived in 1625 they found the island uninhabited and they claimed it in the name of King James I. Two years later on February 17, 1627 the first settlement landed on the West coast of the island near what is now Holetown (formerly Jamestown).

- Barbados has been a sovereign independent state within the Commonwealth since 1966 when full independence was gained from Britain. However, ties to the British monarchy are still maintained through the Governor-General.

- The government of Barbados is a parliamentary democracy where the political party with the greatest representation in parliament forms the government. The leader of government is the Prime Minister, who selects a cabinet from party members in the legislature. The first leader of Barbados as an independent nation was the Right Excellent Errol Walton Barrow. The current Prime Minister is The Honourable Freundel Stuart, M.P.

This involves academic support in the form of tutoring and counselling.

This is an exciting time for sport at Cave Hill as we seek to build a sporting spirit across the campus with the help of our mascot ‘Chilly’ and our cheerleaders. The Blackbird is our mascot and our slogan is ‘one flies, all soar’.

UNDERGRADUATE ORIENTATION

Orientation sessions focus on helping new students adjust to life at Cave Hill Campus. Students get information on where to go for assistance, are sensitised to safety and security issues, and get tips on how to succeed with their studies and maximise the benefits of their undergraduate education.

Overseas students will get special insights into Barbadian society as well. During Orientation week various Campus tours as well as other activities are coordinated by the Office of Student Services and the Guild of Students.

All first year undergraduate students in the Faculty of Science and Technology must attend the relevant safety orientation seminar usually held on the same day as the Dean's Welcome Address.

All first year undergraduate students must attend library orientation before using the library.

Orientation for International Students

Students who are part of the Student Exchange Programme are required to meet with Mrs Paula Jarvis, Administrative Assistant, Education Abroad Programmes, upon arrival at the Campus. Students are required to attend an orientation and will be briefed on Campus life. International students will also be involved in other orientation activities organised by the University for the benefit of all incoming undergraduates at the Campus as well as activities organised by the Students' Guild.

FACULTY ORIENTATION AND ADVISING

Undergraduate students must first be counselled in their Faculties before they attempt to select courses.

New students should attend the Welcome Address by their Dean who will instruct them where to go to meet with Faculty Academic Advisors. Each student will then be able to discuss their intended programme with an Advisor who will assist in choosing an appropriate combination of courses.

The Law Library is centrally located within the Faculty of Law building. It has an extensive collection of West Indian and other Commonwealth legal materials, and is considered the premier legal library in the region. The collection is now in excess of 125,000 volumes.

This includes 620 periodical titles and 400 law reports, statutes, digests and citators. The collection’s unique feature is the West Indian Section, including theses and research papers produced by staff and students and approximately 32,000 West Indian cases, most of them unreported.

The Law Library received substantial grants from the Board for Graduate Research to fund this project in co-operation with the Department of History and Philosophy, the Sidney Martin Library, UWI Cave Hill; the Archives Department and the Barbados Public Library. Content lists to the Laws on microfilm have been compiled.

The Library aims at providing a legal reference service for practitioners and researchers in general, in addition to supporting the teaching programmes in the Faculty of Law where approximately 425 students, including graduate students, are registered. The Law Library has access to several online legal databases. These include Lexis Nexis, West Indian Reports Online, Index to Legal Periodicals, US Supreme Court Reports and UN Treaty Series. An electronic database of West Indian legislation and cases, CariLaw, was launched in 2005. The Law Library’s online catalogue was also launched in 2004, and is now available on the Internet.

LANGUAGE LABORATORY

Use of Language Laboratory facilities is very important for all students of French and Spanish. Students can work with material designed to correct errors in pronunciation as well as with drills and listening comprehension which reinforce what is covered during the lecture periods. The Department receives recordings such as Champs-Elysées and FDM, which are a rich source of information on current events in France; and Puerta del Sol, which serves the same function for Spain and Latin America. These tapes may be borrowed for home listening.

Also at your disposal in the Language Laboratory are video-cassettes on matters pertaining to the African, Caribbean and Pacific countries (ACP) countries. French versions and Spanish versions of these video-cassettes are available.

**NO EATING OR DRINKING** is allowed in the Language Laboratory.

Students are asked not to interfere with the hardware or the software programmes installed in the facility.

MENTORSHIP

The Mentorship Programme was established in 1994/95 academic year to increase the number of experiential learning opportunities available to students. The mentorship programme allows students to interface with professionals and gain increased practical knowledge about their chosen discipline and possible routes to gain both personal and professional development. It also helps students to link theoretical knowledge with practical experiences.

Many distinguished professionals including politicians, economists, accountants, lawyers, insurance executives, teachers, doctors, among others, participate in the programme. Students in their second or final year of study are given preference.

INTERNSHIP PROGRAMME

The internship programme provides on the job training, where students gain valuable work experience while exploring their career choice. Some interns find permanent, paid employment with the organizations with which they intern. Employers can also benefit significantly, as experienced interns often need little or no training when they begin regular employment.

In addition, the programme enables the University to forge links with the professional community and gain feedback relating to the strengths and weaknesses of our young professionals, with the objective of developing more purposeful academic programmes to meet present and emerging employment needs. The programme also affords students the opportunity to build a network in the business community.

PERSONAL ACADEMIC CAREER ENRICHMENT (PACE)

PACE aids students to develop the skills to map a personal and career success plan.

PACE Workshops Explore:

1. Peer Support from students who share(d) similar challenges.
2. The skills to critically evaluate ones methods of learning.
3. Skills to maintain and forge healthy relationships.
4. Insight into the power of working in groups.
5. The ability to chart successful and comprehensive career and life plans.
REASONED ACTION FOR PROBLEM SOLVING (RAPS)

RAPS helps students to develop critical thinking skills and effective study skills.

RAPS Workshops Explore:

1. Reinforcement of critical reading and thinking and problem-solving skills.
2. Steps to possessing academic and personal integrity.
3. The skills to collectively generate new solutions to problems.
4. Techniques to plan for future careers.
5. The opportunity to acknowledge and honour individual abilities.

STUDENT HELPING STUDENTS

Undergraduate Students are trained to be resource persons for fellow students who may be experiencing a problem or crisis. Student helpers are selected by an application process.

Opportunities for training are offered through two mediums:

- Basic Peer Helping course (COCR 2071). On completion, you may apply to become a student helper.
- Peer Helping Workshop. Once selected, you will be required to participate in a workshop. This will be offered prior to the beginning of semester II of each academic year.

Many students who have participated in this training indicated that it has assisted them in their personal lives.

CO-CURRICULAR CREDITS

Undergraduate Students in Level 2 and Level 3 of their programme are eligible for Co-curricular credits.

Co-curricular courses are leadership, sporting and creative activities that promote personal and professional development and allow students to pursue their social interests and earn credits while having fun. Students are permitted to one co-curricular throughout their academic tenure and earn three (3) credits for a semester long course.

ACCOMMODATION

ON-CAMPUS ACCOMMODATION

Email: accommodation@cavehill.uwi.edu

The Frank Worrell Hall consists of 180 single study rooms in suites of six, contained in ten three-storey blocks, arranged in three clusters. Each cluster is enclosed by a combination of garden walls and common facilities including Resident Assistants’ apartment and laundry unit. The Junior Common Room is the central feature of the communal life of the Hall and is located at the heart of the complex.

Situated on a knoll overlooking the main Campus, the complex captures a panoramic view of the beautifully laid out Campus and the distant view of the Caribbean Sea. The design of the buildings reflects an architectural vernacular of the Barbadian style with modest overhangs and hipped vented gable roofs to permit natural ventilation.

The internal arrangements define each student’s space whilst permitting a family life style on each floor and a community in each cluster. Each study room is furnished with a bed, built-in desk and wardrobe and all are equipped with face basins. On each floor there is a communal living/lounge area and fully equipped kitchenette and bathroom facilities. All rooms have Internet access.

Sherlock Hall, the first and for many years the only Hall of Residence on Campus can accommodate approximately 90 students. The study rooms comprise single rooms, double rooms and graduate flats. Each floor is served by a fully-equipped kitchenette and bathroom facilities and has Internet access.

At Sherlock Hall the communal facilities include a students’ lounge/TV room, a study room, laundry unit and 2 small seminar rooms. The latter are mainly used for student development and counselling sessions.

During vacation periods, students who wish to remain in residence may do so only with the permission of the Halls Administrator and will be required to pay in advance for their rooms.

The Keith Hunte Hall is named after Sir Keith Hunte, a former principal of the UWI Cave Hill Campus. The Hall is designed to accommodate three blocks and will house 176 students. One of the blocks has been completed and contains 64 single rooms in suites of 4. Each floor is arranged in 4 clusters of 4 students each served by a spacious, well equipped kitchen, living and dining area, and bathroom facilities. Each student’s room is outfitted with a ceiling fan, a single bed, built-in desk, wired & wireless internet access, wardrobe and face-basin.

The Keith Hunte Hall is located on University Drive and Highway 1, with easy access to shopping, supermarkets, the main city of Bridgetown and nearby West Coast beaches. It is within five minutes walk from the main campus.

CAMPUS SECURITY AND SAFETY

From time to time there have been incidents involving assault on the person and property of students at the Campus. Students are advised to be very careful when travelling near the wooded areas on the environs of the Campus, to avoid walking alone near these areas in the late evening and at night, and to use the clearly defined walk-ways and access road to the Campus. Students are also very strongly advised to accept car rides only from persons well known to them and to report any suspicious looking person, seen on the Campus, to the security personnel. Students living in Hall are reminded to secure their books, personal belongings, money etc., and to make sure their rooms are locked before leaving.

Students should note that as a safety and security measure, they may be stopped and challenged on Campus by authorised security personnel. For this reason, students should visibly wear their Student ID card.

The Campus Registrar invites students to report to him, through the President of the Guild of Students, any security or safety risks which need attention and in particular, structural defects to buildings, damage to windows, doors, and the like.

THE GUILD OF STUDENTS

GETTING INVOLVED

A variety of out-of-classroom learning experiences await your participation. These organised activities are much more than “fun ways” to spend your non-class time. These activities provide opportunities to enhance your leadership, communication and interpersonal skills, develop your organisational ability and help to develop your time management, decision making, and problem solving abilities. Prospective employers expect a university graduate to possess these competencies. So, get involved!!

Involvement in Campus activities is your opportunity to build friendships and to make your “mark” and contribute to your personal growth and development and to the development of this honourable institution.

THE GUILD OF STUDENTS

The Guild of Students is the recognised student government on Campus. The Guild Council is the recognised means of communication between students as a body and the authorities of the University, with Guild Council members serving on major Campus and University Bodies. It is very important because it gives students a voice on Campus to represent their rights, interests and concerns throughout their university life.

According to its constitution the objectives of the Guild are:

- The furthering of educational and social purposes of The University of the West Indies.
- The furthering of the common interest of members of the Guild of Students.
- The advancement and promotion of unity and fraternity among the members of the Guild.

All matriculated undergraduate and graduate students pursuing a course of study at The University of the West Indies are full members of the Guild of Students.

Full Members of the Guild shall have the following privileges:

- The right to frequent the Students’ Union and to enjoy all its facilities and amenities.
- The right to vote at all Guild elections and to stand for election for any office in the Guild except when debarred by lack of any special qualification.
- The right to wear the official University colours.
- The right to frequent the games fields and enjoy all the facilities and amenities offered.
- The right to participate in all activities sponsored by the Guild.
- Such other rights as may be conferred by this constitution from time to time.
CAVE HILL ASSOCIATION OF POSTGRADUATE STUDENTS (CHAPS)

The Cave Hill Association of Postgraduate Students (CHAPS) is the representative body for all graduate students at the Cave Hill Campus of The University of the West Indies. All graduate students are automatically members of CHAPS. There is no application process nor is there any payment for membership. In order to register with CHAPS simply send an email to chaps@cavehill.uwi.edu.

CHAPS seeks to enrich the postgraduate experience at Cave Hill on academic and personal levels. The association serves as the link between the postgraduate student body and University administration. Representation is provided for graduate students on important committees at the Campus and University levels. CHAPS is committed to fostering a strong community among students at Cave Hill and the wider academic community. Assistance can be provided for academic purposes, particularly for research initiatives, as well as for personal concerns.

All graduate students are encouraged to get involved with the activities of CHAPS.

ELECTIONS

The Guild’s year runs from April 01 to March 31 and elections are constitutionally due on or before March 15.

Candidates vie for the twenty-one positions available. Please recognise that being a council member is a serious undertaking. Any elected member of the Guild Council shall be subject to recall on the basis of non-performance or misconduct according to procedures outlined in the constitution.

GUILD SECURITY

A 24-hour security station is located near the doorway leading to the Guild Office. Any student whose behaviour is contrary to the accepted norm may be suspended from the Students’ Union for a period not exceeding three months, and in addition, shall lose all or any of the rights, at the discretion of the Guild Council.

STUDENT CLUBS & SOCIETIES

Student organisations and activities are a vital part of University life and are organised and controlled through the Guild of Students. These are academic societies catering to the special interests of students as well as artistic and cultural societies.

The membership fee for a full member of the Guild of Students is Bds$120.00 per annum, payable with your other University fees at the beginning of Semester I.

The Student Societies are coordinated by the Inter-Clubs Committee while the Games Committee coordinates the sporting activities. Feel free to join the Cavite Chorale, The Language Club, the University & Colleges Christian Fellowship, The Debating Club, or any other club of your liking.
SPORTS AND GAMES FACILITIES

The sports programme at Cave Hill offers a range of sports including athletics, water sports (sailing, scuba, windsurfing and swimming), football, cricket, volleyball, netball, lawn tennis and basketball.

UWI Games are held every two years with all three campuses competing in several sports. The games are held on each campus in rotation. The Cave Hill Campus is presently the reigning champion for these games.

The 3Ws Oval, named in honour of the three Barbadian cricketing greats, Worrell, Weekes and Walcott, was officially opened in 2003. The facility offers an attractive cricket pitch and field, which meet international standards, as well as a cricket school comprising six indoor and two outdoor nets. There is also a “Walk of Fame” monument celebrating West Indies cricket and a charming “verandah” for watching sports activities on the cricket and football fields.

STUDENTS UNION

The Students’ Union is managed by the Guild Council and by extension the Union Committee Chairperson. The Union is the centre for student activities and entertainment.

The Students’ Union is more than just a spot for beer limes and fetes. It’s the place for cultural experiences, and to relax and unwind after or during a stressful day of classes. You can “slam-a-dom,” shoot pool, tune into cable TV, play games or simply take part in some interesting debates.

The Union is always a hive of activity during the semester and especially when the activities for the clubs, societies and faculties are scheduled.

Come, “BE KNOWN”. Your full participation is essential.

OTHER FACILITIES

Guild facilities include snack and drink machines, food service (open everyday until 7pm), Hair Salon, Smoothie Bar and Guild Bar.

GUILD PUBLICATIONS

The Publications Committee provides an integral and active component of student life on Campus. With publications such as THE CAVE Newspaper, Freshers’ Guide and the Calendar of Events as examples, students are well informed of all aspects of Campus life. Your contribution of articles, things of interest, ideas and comments for the publication is always welcome. These submissions can be sent to guildpcc@mycavehill.uwi.edu.
CIVIC ACTIVITIES

The Guild is actively involved in the international and regional struggles of students, as well as community outreach projects, such as the UWI Summer Camp for Children. Most importantly, the Guild represents students in disputes arising between themselves and the administrative body of The University of the West Indies.

Orientation – Guild Council members and student volunteers assist new students with their registration and organise Campus tours in an effort to make the registration exercise and settling-in as pleasant and painless as possible.

Freshers’ Week – This is a fun-filled week of activities designed to welcome new students to our host country and to the lighter side of Campus life. These activities provide excellent opportunities to get out, find out, hang out and make friends. So come and enjoy the fun.

Freshers’ Week of Activities:
- Orientation
- Island Tour
- Cocktail Reception
- Registration Assistance
- Clubs & Societies
- Gospel Fest
- Karaoke
- Freshers’ Fete
- Guild Talks (Lecture/Panel discussion)

Please look out for notices of dates and times of events.

CULTURAL ACTIVITIES

International Students’ Day is celebrated annually on November 17. This day should be significant to all students as a symbol of what students of the world are fighting for or against at the local, national and regional level. Issues include the struggle for social justice, the fight against fascism and all other forms of dictatorship and discrimination, the fight for peace, justice and equality combined with the right to education and its liberating potential.

Events to celebrate this day include cultural and academic activities, bazaars, fairs and Woodstock. (Great bargains on jewellery, clothing and food).

Caribbean History Month is celebrated in the month of February. This month is used to heighten students’ awareness of important events in the development of Caribbean people and society.

Carnival

This is the most anticipated activity on the student’s calendar. Students and staff alike enjoy the camaraderie of the Calypso Competition, the Jump Up Day & After Fete, and the Carnival King & Queen Show.
Activities for Carnival include:
• Calypso Competition
• Treasure Hunt
• Carnival Lime
• J’ouvert
• Carnival Jump-up & After Show

TRANSPORTATION

www.cavehill.uwi.edu/studentservices/services/ShuttleServices

Shuttle Service and Park-and-ride

To assist with the acute shortage of parking spaces available on Campus, a Park and Ride System is in effect at Cave Hill.

Students are strongly advised to park at the National Cultural Foundation (NCF) parking lot and board a University-provided shuttle for the short journey to Campus. This student-only service is provided free of cost. ID cards must be presented upon boarding the shuttle. Shuttle schedules for the new academic year will be posted on the Office of Student Services Website and on Notice Boards around Campus.

The NCF shuttle begins at 7:45 am and continues through to 10:15 pm at half hour intervals.

Campus Bus Service

Our aim remains to ultimately assist in the safe and timely commute of the student population to and from the city centre and the immediate surroundings of the Campus.

The Bridgetown UWI Bus service begins at 7:15 am and continues at half hour intervals until 11:15 pm. The buses make drop offs and pick ups at both Probyn Street and Lower Broad Street and return to campus. Students going to the Graduate Studies Complex at Black Rock should check the schedule for the relevant timetable.

The Warrens Circle bus route begins at 4:15 pm and continues half hourly through to 11:15 pm.

There is ongoing effort to continue to enhance the management and scheduling of the buses to ensure quality service to students.

Notes on the Barbados regular bus services

Regular bus services are operated by the government owned Barbados Transport Board, which services the entire island, and by privately owned and operated minibuses. Both services are available up to about 11:00 pm daily. The Campus is located on Route 24 “Wanstead Drive”. This route begins in Bridgetown, Cheapside Bus Terminal and runs along University Crescent to Wanstead Drive in Cave Hill. Bus fare is Bds$2.00 for a one-way trip.

Due to legal implications, students are asked to note that they should embark and disembark from buses at bus-stops ONLY.

This policy shall guide the use of alcohol everywhere on the properties of this Campus and at all events sponsored by this University. Excessive and high-risk drinking can lead to negative consequences for members of the university’s community. Such consequences may include but are not limited to incidents of assault, illness, injury, litter, noise, property damage, and driving under the influence. We all share responsibility for creating an environment that limits dangerous drinking behaviours and, therefore, reduces the likelihood of negative outcomes.

The following shall guide the use of alcohol on Cave Hill Campus:

- All possession, consumption, and distribution of alcohol on this Campus shall be in accordance with applicable Laws of Barbados.

Student associations shall adhere to the specific guidelines for events outlined in the regulations governing the holding of student fetes and social events at the Cave Hill Campus.
- Advertising or other communication that references the availability of alcohol at a function must neither promote alcohol as the focus of the event nor promote excessive drinking.

Underage Possession/Consumption:

- Students under 21 years of age are not permitted to purchase, possess, or consume alcoholic beverages. Being under the influence of any amount of alcohol while underage is considered a violation of this provision. The Guild Council, Island Associations or other groups are considered in violation of this provision if they facilitate the acquisition of alcohol by anyone under the age of 21.
Unsafe / Irresponsible Behavior:

- Unsafe or irresponsible behaviour is defined as any actions that is harmful or potentially harmful to one’s self or others involving the use of alcohol. Such behaviour includes, but is not limited to:
  - consuming an excessive quantity of alcohol in a short amount of time;
  - participating in or facilitating drinking games;
  - consuming through beer bongs;
  - use or attempted use of fraudulent identification or another’s identification to obtain alcohol; and

The University has established the following general provisions regarding alcohol:

- No kegs are permitted on campus in private rooms, student apartments, commons rooms, or other public space. (Only University-approved bartenders, who will be responsible for and distribute alcohol from kegs in public space at officially approved events.)
- Only university-approved bartenders are permitted to distribute alcohol on campus, including alcohol from common-source containers.
- Except at events in a licensed facility providing a cash bar, no spirituous liquor or fortified wines may be served to either undergraduates or graduates.
- All students on university property consuming or possessing alcohol must carry a valid University identification card or Driver’s license.
- Alcohol may not be brought in glass containers to on-campus events.
- No alcoholic beverages are permitted on the surrounding grounds of Campus.
• No alcoholic beverages are permitted within the confines of campus athletic facilities during sporting events.

• The use of alcoholic beverages as a prize is prohibited.

Health and Safety Intervention:

Because health and safety of students are of primary importance, students are encouraged not only to look out for their own health and safety but also for that of their peers. When a person’s health and/or safety is/are threatened or appear(s) to be in jeopardy, immediate action should be taken to prevent injury/illness/danger. Your action may be a call to Campus Security at 417-40003/4164 or the Health Clinic at 417-4170/4171 or the Psychological Counselor at 417-4172 for assistance and guidance.

Whatever the particular need/problem, it is important to respond in a responsible and timely manner.

Formal disciplinary action for a violation of the alcohol policy will not be taken against students for whom medical assistance is sought, or against those who seek medical assistance for themselves or for others, provided that the student/group has not violated other university policies that warrant formal disciplinary action.

A student who receives medical assistance may be required to meet with a substance abuse specialist in Counseling or a Counselor from the Office of Student Services for education, assessment, and possible referral for treatment. The student may also be required to complete an educational assignment. Parents of such students under the legal drinking age may also be notified. Members of Island Associations or group who facilitated the acquisition of alcohol may also be required to notify the Office of Student Services and participate in an educational programme for its members, and/or change its processes for hosting events.

In the event that a student fails to meet with the specialist, chooses not to participate in the treatment programme outlined, or exhibits a pattern of abusive behaviour with alcohol, the student may be subject to formal disciplinary action and/or placed on a Medical Leave of Absence or Involuntary Administrative Withdrawal until he/she produces documentation that appropriate treatment has been successfully sought.
