The University of the West Indies, Cave Hill Campus in Brief 13

Barbados in Brief 14
THE ARMS OF THE UNIVERSITY

The arms of the University consist of a shield and a crest. The background of the shield is the sea represented by blue and white wavy lines on which is an open book. The upper part of the shield is red with a lion to show the connection with the Crown. This is the lion borne by H.R.H. Princess Alice, Countess of Athlone, appointed by King George VI to be the first Chancellor, so that this appointment is recorded forever in the Arms of the University.

The crest is the brown Pelican which fishes in its prehistoric fashion along the coast of all the Caribbean Lands: the Pelican is a symbol of care for the young because of the medieval, but untrue, belief that it punctures its breast to feed its young on its blood. It is also used as a crest by the Corpus Christi Colleges of Oxford and Cambridge.

The motto is:

“Oriens ex Occidente Lux:
A Light Rising from the West”
Welcome

A very warm welcome to your new, large, diverse, geographically dispersed but digitally and otherwise connected family! Your UWI family comprises approximately 46,000 students and 5,000 staff across four campuses – the Cave Hill Campus located in Barbados, the Mona Campus in Jamaica, the St. Augustine Campus in Trinidad and Tobago and the Open campus which provides face-to-face and on-line delivery of courses and continuing professional education in more than 40 sites across the seventeen countries served by The UWI. The extended family also includes more than 120,000 alumni represented at the highest levels of government, corporate and professional life across the Caribbean and worldwide. There is probably no profession or sector of Caribbean society in which UWI graduates cannot be found. At least 17 of our graduates have risen to positions as Heads of Government or State and one is a Nobel Laureate. We boast more than 60 Rhodes scholars, and countless leaders in all the professions proudly call The UWI their alma mater.

The next few years are as much about academics as they are about your physical and emotional development. Establish meaningful friendships and value them. The network you build will extend beyond your years at University and some of those friendships will last a lifetime. Take every opportunity presented you to travel to another campus or another of the countries served by The UWI. The UWI Games which takes place every two years – hopefully annually in the not too distant future - is a wonderful opportunity to meet your counterparts at another campus. Additionally, we will be ensuring that all students benefit from teaching by faculty members from another campus in order to deepen your learning experience as members of a regional university. We have agreed to begin with the Foundation Courses, thereby creating a culture of cross campus teaching to bring students together across physical

boundaries and give each of you a truly regional university experience. We hope that your relationship with us will extend beyond your graduation and that you will continue to be engaged as alumni.

Each year, our new students inspire enthusiasm and hope. Your University is committed to ensuring that we deliver programmes of high quality and relevance to national and regional development. Your enthusiasm and engagement help us to stay the course. Our contributing Governments have been supportive through funds provided directly to the university and support to students. However, we are mindful of the challenges they themselves face in meeting their many obligations and The UWI has been making efforts to diversify the funding base to complement existing funding sources and to streamline operations to make them more efficient and cost effective. Your responsibility will be to ensure that the resources expended in your training are maximised as much as possible. Whether you are funded by your Governments, your families or yourselves, it is an investment in your future, in our collective future.

My best wishes to each of you for a fulfilling and rewarding experience at The UWI!

Vice-Chancellor, The University of the West Indies
MESSAGE FROM THE PRINCIPAL

My dear students, as your new Pro Vice-Chancellor and Principal, it is my privilege and pleasure to welcome each of you to The University of the West Indies and especially to the Cave Hill Campus. In deciding to pursue your education at Cave Hill you have chosen to enter into a distinguished institution with a proud and rich heritage of commitment to teaching, research and service to the region and the world.

You have also joined a large and diverse family comprised of over fifty thousand students and more that 120,000 alumni who may be found contributing to the development of their communities, countries and professions at every level and in nearly every corner of the world.

We are all aware that our region continues to face challenging times and that many of you would have had to make serious economic sacrifices to continue your education. We commend you highly for this choice which has the ability to transform your lives and that of your families and communities.

As Principal of the Cave Hill Campus, I am pleased that you have chosen The UWI Campus by the sea. As an alumna, teacher, researcher and the leader of this great institution, I am deeply committed to your development and success and to ensuring that you are exposed to the highest quality educational experience. You have my sincerest commitment to providing the highest standards of programme delivery and an enhanced learning environment within the constraints of our current resources. While I will not make promises that we cannot keep at this time, I can and will promise that I am committed to maintaining standards of quality assurance, actively listening to your concerns and ensuring that Faculty and Staff at all levels deliver the quality service that we have agreed to provide.

As a student of The UWI, you have a very important role to play in the life and future of this institution. You are the fortunate beneficiary of the wisdom and contributions of those who have gone before you. You also have the responsibility of both maintaining the legacy and continuing to define The UWI of today. Even more importantly, you are being entrusted in guarding and protecting its proud legacy and ensuring the future for those who will follow in your footsteps.

Continued ...
As you read through this Handbook, I hope you will actively consider the possibilities the Campus presents. You will find numerous opportunities to extend your learning and research inside and outside of the classroom. Use the opportunity to venture beyond your comfort zone. Take an active part in your education and make the time to reflect on who you are and who you are trying to become. Wherever possible, take classes in areas that introduce you to fields and ideas outside of your majors and which will help you develop new ways of thinking and understanding. Participate in activities you have never tried and seize all opportunities to reach out to and connect with people who are different from you.

We all know that in the early days, life on Campus may seem to be confusing and sometimes overwhelming. Remember that there are many persons available to help you work through these moments both academic and otherwise. We want you to remember that we are all here to serve and that we have complete faith in your abilities and future. Welcome to this new academic year. Make it exciting, fulfilling and rewarding.

Very best wishes for a healthy, happy and productive period of study.

THE UNIVERSITY OF THE WEST INDIES,
CAVE HILL CAMPUS IN BRIEF

The University of the West Indies (UWI) is a regional university serving the English-speaking Caribbean countries of Anguilla, Antigua and Barbuda, Barbados, Belize, Bermuda, Dominica, Grenada, Jamaica, Montserrat, Federation of St. Kitts and Nevis, St. Lucia, St. Vincent and the Grenadines, The Bahamas, The British Virgin Islands, The Cayman Islands, The Turks & Caicos Islands and Trinidad & Tobago. The University started in Jamaica in October, 1948 as the University College of the West Indies, in a special relationship with the University of London. It was subsequently granted University status in 1962. Colleges of Arts and Science were established at St. Augustine in Trinidad in 1962 and at Cave Hill in Barbados in 1963.

The University started in Jamaica in October, 1948 as the University College of the West Indies, in a special relationship with the University of London. It was subsequently granted University status in 1962. In the following year Colleges of Arts and Sciences were established at St. Augustine in Trinidad and at Cave Hill in Barbados.

The Cave Hill Campus began in 1963 as the College of Arts & Science in temporary quarters at the Deep Water Harbour, Bridgetown. In August, 1967, the College moved to its present site at Cave Hill. The College became a full campus with the establishment of the Faculty of Law in 1970 and the name was changed to the Cave Hill Campus of The University of the West Indies.

The main Campus is currently located on 47 acres of land which the UWI holds on long-term lease from the Government of Barbados. The Campus was originally designed to accommodate about 500 students. The present enrolment is approximately 9,000. The physical expansion has taken place in a manner sympathetic to the original architectural design of low-rise buildings, simplicity and orderliness. This, combined with the scenic attractiveness of the site, and the relatively small size of the University community has resulted in an atmosphere of intimacy and friendliness which is immediately felt by visitors to the Campus.

In 2008 the Government of Barbados granted an additional 33 acres of land contiguous to the existing campus, which the University is currently in the process of developing. The Graduate Studies Teaching Complex and the new FIFA-rated football field are located on this site. With subsequent lease arrangements with Government and a private donation, the land area of the Campus has expanded to approximately 98.12 acres.

From its nascence in 1963 as the College of Arts and Science, the Campus has become a leader in tertiary education in Barbados and a beacon of academic excellence throughout the region as well as internationally.

In 2013 Cave Hill celebrated its golden anniversary and reflected with pride on its contribution to regional development and the upliftment of Caribbean people.
BARBADOS in brief

- Barbados is the most easterly island of the Caribbean island chain. The closest islands are St. Vincent & the Grenadines and St. Lucia which are located to the west, and Trinidad and Tobago located to the south. Barbados is located approximately 2,573km (1,600 miles) southeast of Miami, Florida.

- The island is 430 sq. km (166 sq. miles), measures 33.79km (21 miles) long by 22.53km (14 miles) wide and is divided into eleven parishes. The capital city, Bridgetown, is located in St. Michael. Historic Bridgetown and the Garrison area were designated a World Heritage Site in June 2011.

- Barbados falls within the Atlantic time zone. The standard time is Greenwich Mean Time minus four hours. Barbados has no daylight saving time.

- Bounded by the Caribbean Sea and the Atlantic Ocean, Barbados enjoys north-east trade winds all year which help to keep the island cool. The climate is warm throughout the year, with a dry season from December to May, and a rainy season between June and November. The average temperature is 28 degrees Celsius (82.4 degrees Fahrenheit).

- Barbados was first inhabited by the Arawak Indians who migrated from Venezuela. It is believed that they inhabited the island from 350-400 BC. When the British arrived in 1625 they found the island uninhabited and they claimed it in the name of King James I. Two years later on February 17, 1627 the first settlement landed on the West coast of the island near what is now Holetown (formerly Jamestown).

- Barbados has been a sovereign independent state within the Commonwealth since 1966 when full independence was gained from Britain. However, ties to the British monarchy are still maintained through the Governor-General.

- The government of Barbados is a parliamentary democracy where the political party with the greatest representation in parliament forms the government. The leader of government is the Prime Minister, who selects a cabinet from party members in the legislature. The first leader of Barbados as an independent nation was the Right Excellent Errol Walton Barrow. The current Prime Minister is The Honourable Freundel Stuart, M.P.

www.cavehill.uwi.edu/lawlibrary

The Law Library is centrally located within the Faculty of Law building. It has an extensive collection of West Indian and other Commonwealth legal materials, and is considered the premier legal library in the region. The collection is now in excess of 125,000 volumes.

This includes 620 periodical titles and 400 law reports, statutes, digests and citators. The collection’s unique feature is the West Indian Section, including theses and research papers produced by staff and students and approximately 32,000 West Indian cases, most of them unreported.

The Library also has one of the most extensive collections of West Indian legislation in existence, including pre-1900 laws of the region which have been acquired on microfilm. The Law Library received substantial grants from the Board for Graduate Research to fund this project in co-operation with the Department of History and Philosophy, the Sidney Martin Library, UWI Cave Hill; the Archives Department and the Barbados Public Library. Content lists to the Laws on microfilm have been compiled.

The Library aims at providing a legal reference service for practitioners and researchers in general, in addition to supporting the teaching programmes in the Faculty of Law where approximately 425 students, including graduate students, are registered. The Law Library has access to several online legal databases. These include Lexis Nexis, West Indian Reports Online, Index to Legal Periodicals, US Supreme Court Reports and UN Treaty Series. An electronic database of West Indian legislation and cases, CariLaw, was launched in 2005. The Law Library's online catalogue was also launched in 2004, and is now available on the Internet.

LANGUAGE LABORATORY

Use of Language Laboratory facilities is very important for all students of French and Spanish. Students can work with material designed to correct errors in pronunciation as well as with drills and listening comprehension which reinforce what is covered during the lecture periods. The Department receives recordings such as Champs-Elysées and FDM, which are a rich source of information on current events in France; and Puerta del Sol, which serves the same function for Spain and Latin America. These tapes may be borrowed for home listening.

Also at your disposal in the Language Laboratory are video-cassettes on matters pertaining to the African, Caribbean and Pacific countries (ACP) countries. French versions and Spanish versions of these video-cassettes are available.

**NO EATING OR DRINKING** is allowed in the Language Laboratory.

Students are asked not to interfere with the hardware or the software programmes installed in the facility.

MENTORSHIP
The Mentorship Programme was established in 1994/95 academic year to increase the number of experiential learning opportunities available to students. The mentorship programme allows students to interface with professionals and gain increased practical knowledge about their chosen discipline and possible routes to gain both personal and professional development. It also helps students to link theoretical knowledge with practical experiences.

Many distinguished professionals including politicians, economists, accountants, lawyers, insurance executives, teachers, doctors, among others, participate in the programme. Students in their second or final year of study are given preference.

INTERNSHIP PROGRAMME
The internship programme provides on the job training, where students gain valuable work experience while exploring their career choice. Some interns find permanent, paid employment with the organizations with which they intern. Employers can also benefit significantly, as experienced interns often need little or no training when they begin regular employment.

In addition, the programme enables the University to forge links with the professional community and gain feedback relating to the strengths and weaknesses of our young professionals, with the objective of developing more purposeful academic programmes to meet present and emerging employment needs. The programme also affords students the opportunity to build a network in the business community.

PERSONAL ACADEMIC CAREER ENRICHMENT (PACE)
PACE aids students to develop the skills to map a personal and career success plan.

PACE Workshops Explore:
1. Peer Support from students who share(d) similar challenges.
2. The skills to critically evaluate ones methods of learning.
3. Skills to maintain and forge healthy relationships.
4. Insight into the power of working in groups.
5. The ability to chart successful and comprehensive career and life plans.

REASONED ACTION FOR PROBLEM SOLVING (RAPS)
RAPS helps students to develop critical thinking skills and effective study skills.

RAPS Workshops Explore:
1. Reinforcement of critical reading and thinking and problem-solving skills.
2. Steps to possessing academic and personal integrity.
3. The skills to collectively generate new solutions to problems.
4. Techniques to plan for future careers.
5. The opportunity to acknowledge and honour individual abilities.

STUDENTS HELPING STUDENTS

Undergraduate Students are trained to be resource persons for fellow students who may be experiencing a problem or crisis. Student helpers are selected by an application process.

Opportunities for training are offered through two mediums:

- Basic Peer Helping course (COCR 2071). On completion, you may apply to become a student helper.
- Peer Helping Workshop. Once selected, you will be required to participate in a workshop. This will be offered prior to the beginning of semester II of each academic year.

Many students who have participated in this training indicated that it has assisted them in their personal lives.

CO-CURRICULAR CREDITS

Undergraduate Students in Level 2 and Level 3 of their programme are eligible for Co-curricular credits.

Co-curricular courses are leadership, sporting and creative activities that promote personal and professional development and allow students to pursue their social interests and earn credits while having fun. ACCOMMODATION

ON-CAMPUS ACCOMMODATION

Email: accommodation@cavehill.uwi.edu

The Frank Worrell Hall consists of 180 single study rooms in suites of six, contained in ten three-storey blocks, arranged in three clusters. Each cluster is enclosed by a combination of garden walls and common facilities including Resident Assistants’ apartment and laundry unit. The Junior Common Room is the central feature of the communal life of the Hall and is located at the heart of the complex.

Situated on a knoll overlooking the main Campus, the complex captures a panoramic view of the beautifully laid out Campus and the distant view of the Caribbean Sea. The design of the buildings reflects an architectural vernacular of the Barbadian style with modest overhangs and hipped vented gable roofs to permit natural ventilation.

The internal arrangements define each student's space whilst permitting a family lifestyle on each floor and a community in each cluster. Each study room is furnished with a bed, built-in desk and wardrobe and all are equipped with face basins. On each floor there is a communal living/lounge area and fully equipped kitchenette and bathroom facilities. All rooms have Internet access.

Sherlock Hall, the first and for many years the only Hall of Residence on Campus can accommodate approximately 90 students. The study rooms comprise single rooms, double rooms and graduate flats. Each floor is served by a fully-equipped kitchenette and bathroom facilities and has Internet access.

At Sherlock Hall the communal facilities include a students’ lounge/TV room, a study room, laundry unit and 2 small seminar rooms. The latter are mainly used for student development and counseling sessions organized and facilitated by the office of Student Services.

During vacation periods, students who wish to remain in residence may do so only with the permission of the Halls Administrator and will be required to pay in advance for their rooms.

The Keith Hunte Hall is named after Sir Keith Hunte, a former principal of The UWI Cave Hill Campus. On completion, the Hall will accommodate three blocks and will house 176 students. One block has been completed and contains 64 single rooms in suites of 4. Each floor is arranged in 4 clusters of 4 students each served by a spacious, well equipped kitchen, living and dining area, and bathroom facilities. Each student’s room is outfitted with a ceiling fan, a single bed, built-in desk, wired & wireless internet access, wardrobe and face-basin.
The Keith Hunte Hall is located on University Drive and Highway 1, with easy access to shopping, supermarkets, the main city of Bridgetown and nearby West Coast beaches. It is within five minutes walk from the main campus.

Each Hall has fully equipped laundry facilities where the washers & dryers are operated by tokens sold at the Halls of Residence Business Offices.

**OFF-CAMPUS ACCOMMODATION**

[www.chillhousing.com](http://www.chillhousing.com)

The Accommodations Assistant provides a list of off-campus accommodation for new students who have not been allotted places in the Halls of Residence. All final arrangements on terms and conditions of lodging and/or board must be made by students and the landlords or settled among themselves by students sharing the cost of rented houses on a cooperative basis.

The University entreats students in their own interest and in the interest of the University, to treat their lodgings with care, and to honour their financial obligations to the property owner. Please contact the Students Lodgings Accommodations Assistant for detailed information on off-campus accommodation at Ext. 4578, Fax: (246) 424-6482.

They provide consultations, assistance in illness/medical emergencies, matters of dispute and conflict resolution and help to foster a sense of community amongst the residents.

POSTAL MAIL
All mail is kept at the Business Office located within the Frank Worrell Hall complex. Students should make a point of checking with that office regularly for correspondence addressed to them. Students who no longer reside on hall are reminded to change their address with the relevant businesses with whom they communicated e.g. banks.

FOOD SERVICES

Cafeteria
The Campus Cafeteria is located next to Sherlock Hall, adjacent to the building which houses the Student Health Service and the Guild of Students. The Cafeteria is fully air-conditioned, comfortable and is designed to seat 120 patrons. The panoramic view of the Bridgetown Harbour and the Caribbean Sea can be seen from the west patio. The Cafeteria, which is operated by a concessionaire, opens seven days a week and offers breakfast, lunch, dinner, and snacks to the entire Campus community.
Kiosk

The Campus Cafeteria also operates a kiosk which is located in the car park of the Faculty of Social Sciences at the southern corner of the Campus. The kiosk caters to patrons who prefer a take-away meal or snack.

The Campus Mart

The Campus Mart, a convenience store located in the basement of the CLICO Building, sells a variety of food items in addition to other goods.

CAMPUS SECURITY AND SAFETY

From time to time there have been incidents involving assault on the person and property of students at the Campus. Students are advised to be very careful when travelling near the wooded areas on the environs of the Campus, to avoid walking alone near these areas in the late evening and at night, and to use the clearly defined walk-ways and access road to the Campus. Students are also very strongly advised to accept car rides only from persons well known to them and to report any suspicious looking person, seen on the Campus, to the security personnel. Students living in Hall are reminded to secure their books, personal belongings, money etc., and to make sure their rooms are locked before leaving.

Students should note that as a safety and security measure, they may be stopped and challenged on Campus by authorised security personnel. For this reason, students should visibly wear their Student ID card.

The Campus Registrar invites students to report to him, through the President of the Guild of Students, any security or safety risks which need attention and in particular, structural defects to buildings, damage to windows, doors, and the like.

GETTING INVOLVED

A variety of out-of-classroom learning experiences await your participation. These organised activities are much more than “fun ways” to spend your non-class time. These activities provide opportunities to enhance your leadership, communication and interpersonal skills, develop your organisational ability and help to develop your time management, decision making, and problem solving abilities. Prospective employers expect a university graduate to possess these competencies. So, get involved!!

Involvement in Campus activities is your opportunity to build friendships and to make your “mark” and contribute to your personal growth and development and to the development of this honourable institution.

THE GUILD OF STUDENTS

The Guild of Students is the recognised student government on Campus. The Guild Council is the recognised means of communication between students as a body and the authorities of the University, with Guild Council members serving on major Campus and University Bodies. It is very important because it gives students a voice on Campus to represent their rights, interests and concerns throughout their university life.

According to its constitution the objectives of the Guild are:

- The furthering of educational and social purposes of The University of the West Indies.
- The furthering of the common interest of members of the Guild of Students.

CAVE HILL ASSOCIATION OF POSTGRADUATE STUDENTS (CHAPS)

All graduate students are automatically members of CHAPS. There is no application process nor is there any payment for membership. In order to register with CHAPS simply send an email to chaps@cavehill.uwi.edu.

CHAPS seeks to enrich the postgraduate experience at Cave Hill on academic and personal levels. The association serves as the link between the postgraduate student body and University administration. Representation is provided for graduate students on important committees at the Campus and University levels. CHAPS is committed to fostering a strong community among students at Cave Hill and the wider academic community. Assistance can be provided for academic purposes, particularly for research initiatives, as well as for personal concerns.

All graduate students are encouraged to get involved with the activities of CHAPS.

ELECTIONS

The Guild’s year runs from April 01 to March 31 and elections are constitutionally due on or before March 15.

Candidates vie for the twenty-two positions available. Please recognise that being a council member is a serious undertaking. Any elected member of the Guild Council shall be subject to recall on the basis of non-performance or misconduct according to procedures outlined in the constitution.

GUILD SECURITY

A 24-hour security station is located near the doorway leading to the Guild Office.

Any student whose behaviour is contrary to the accepted norm may be suspended from the Students’ Union for a period not exceeding three months, and in addition, shall lose all or any of the rights, at the discretion of the Guild Council.

STUDENTS UNION

The Students’ Union is managed by the Guild Council and by extension the Union Committee Chairperson. The Union is the centre for student activities and entertainment.

The Students’ Union is more than just a spot for Union Socials and Fetes. It’s the place for cultural experiences, and to relax and unwind after or during a stressful day of classes. You can “slam-a-dom,” shoot pool, tune into cable TV, play games or simply take part in some interesting debates.

The Union is always a hive of activity during the semester and especially when the activities for the clubs, societies and faculties are scheduled.

Come, “BE KNOWN”. Your full participation is essential.
STUDENT CLUBS & SOCIETIES

Student organisations and activities are a vital part of University life and are organised and controlled through the Guild of Students. These are academic societies catering to the special interests of students as well as artistic and cultural societies.

The membership fee for a full member of the Guild of Students is Bds$60 per semester, payable with your other University fees at the beginning of Semester I. This fee will allow persons access to various privileges such as full access to the Guild Lounge Area and Voting and Candidacy Rights at Guild Elections.

The Student Societies are coordinated by the Inter-Clubs Committee while the Games Committee coordinates the sporting activities. Students are encouraged to join the Sports Clubs, Social Clubs, Island Associations, Cultural Clubs, Service Clubs/ Volunteer Organisations, “Hobby” Clubs, Academic Campus Associations & Societies or any other club of their liking.

SPORTS AND GAMES FACILITIES

The sports programme at Cave Hill offers a range of sports including athletics, water sports (sailing, scuba, windsurfing and swimming), football, cricket, volleyball, netball, lawn tennis and basketball.

UWI Games are held every two years with all three campuses competing in several sports. The games are held on each campus in rotation. The Cave Hill Campus is presently the reigning champion for these games.

The 3Ws Oval, named in honour of the three Barbadian cricketing greats, Worrell, Weekes and Walcott, was officially opened in 2003. The facility offers an attractive cricket pitch and field, which meet international standards, as well as a cricket school comprising six indoor and two outdoor nets. There is also a “Walk of Fame” monument celebrating West Indies cricket and a charming “verandah” for watching sports activities on the cricket and football fields.

OTHER FACILITIES

Guild facilities include drink machines, food service (open everyday until 7.00pm), Hair Salon, Smoothie Bar and Guild Bar.

GUILD PUBLICATIONS

The Publications Committee provides an integral and active component of student life on Campus. With publications such as THE CAVE Newspaper, Freshers’ Guide and the Calendar of Events as examples, students are well informed of all aspects of Campus life. Your contribution of articles, things of interest, ideas and comments for the publication is always welcome. These submissions can be sent to guildpcc@mycavehill.uwi.edu.

CIVIC ACTIVITIES

The Guild is actively involved in the international and regional struggles of students, as well as community outreach projects, such as The UWI Summer Camp for Children. Most importantly, the Guild represents students in disputes arising between themselves and the administrative body of The University of the West Indies.

Orientation – Guild Council members and student volunteers assist new students with their registration and organise Campus tours in an effort to make the registration exercise and settling-in as pleasant and painless as possible.
Freshers’ Week – This is a fun-filled week of activities designed to welcome new students to our host country and to the lighter side of Campus life. These activities provide excellent opportunities to get out, find out, hang out and make friends. So come and enjoy the fun.

Freshers’ Week of Activities:

- Orientation
- Island Tour
- Cocktail Reception
- Registration Assistance
- Clubs & Societies
- Gospel Fest
- Karaoke
- Freshers’ Fete
- Guild Talks (Lecture/Panel discussion)

Please look out for notices of dates and times of events.

CULTURAL ACTIVITIES

International Students’ Day is celebrated annually on November 17. This day should be significant to all students as a symbol of what students of the world are fighting for or against at the local, national and regional level. Issues include the struggle for social justice, the fight against fascism and all other forms of dictatorship and discrimination, the fight for peace, justice and equality combined with the right to education and its liberating potential.

Events to celebrate this day include cultural and academic activities, bazaars, fairs and Woodstock. (Great bargains on jewellery, clothing and food).

Caribbean History Month is celebrated in the month of February. This month is used to heighten students’ awareness of important events in the development of Caribbean people and society.

Carnival
This is the most anticipated activity on the student’s calendar. Students and staff alike enjoy the camaraderie of the Calypso Competition, the Jump Up Day & After Fete, and the Carnival King & Queen Show.

Activities for Carnival include:

- Calypso Competition
- Treasure Hunt
- Carnival Lime
- J’ouvert
- Carnival Jump-up & After Show

These are only a few of the customary carnival events that are held.
Come enjoy the activities. A full schedule of Guild Activities is available from the Guild Office.

Remember, the Guild can only function effectively with your FULL SUPPORT. You must make a conscious effort to support the Guild to ensure its continued relevance to the needs of the student body and the institution of The University of the West Indies.

Please feel free to visit the Guild Office between the hours of 9:00am and 5:00pm. We are always willing to answer questions, deal with your problems, or offer advice.

TRANSPORTATION

www.cavehill.uwi.edu/studentservices/services/ShuttleServices

Shuttle Service and Park-and-ride

To assist with the acute shortage of parking spaces available on Campus, a Park and Ride System is in effect at Cave Hill.

Students are strongly advised to park at the National Cultural Foundation (NCF) parking lot and board a University-provided shuttle for the short journey to Campus. This student-only service is provided free of cost. ID cards must be presented upon boarding the shuttle. Shuttle schedules for the new academic year will be posted on the Office of Student Services Website and on Notice Boards around Campus.

The NCF shuttle begins at 7:45 am and continues through to 10:15 pm at half hour intervals.

Campus Bus Service

Our aim remains to ultimately assist in the safe and timely commute of the student population to and from the city centre and the immediate surroundings of the Campus.

The Bridgetown UWI Bus service begins at 7:15 am and continues at half hour intervals until 11:15 pm. The buses make drop offs and pick ups at both Probyn Street and Lower Broad Street and return to campus. Students going to the Graduate Studies Complex at Black Rock should check the schedule for the relevant timetable.

The Warrens Circle bus route begins at 4:15 pm and continues half hourly through to 11:15 pm.

There is ongoing effort to continue to enhance the management and scheduling of the buses to ensure quality service to students.

Notes on the Barbados regular bus services

Regular bus services are operated by the government owned Barbados Transport Board, which services the entire island, and by privately owned and operated minibuses. Both services are available up to about 11:00 pm daily. The Campus is located on Route 24 "Wanstead Drive". This route begins in Bridgetown, Cheapside Bus Terminal and runs along University Crescent to Wanstead Drive in Cave Hill. Bus fare is Bds$2.00 for a one-way trip.

Due to legal implications, students are asked to note that they should embark and disembark from buses at bus-stops ONLY.

8. The courses to be used for the purpose of determining the Weighted GPA for the class of degree to be awarded shall be as prescribed in Faculty Regulations.

9. Where a course has been repeated, the penalty to be applied for failure, and the grade to be used in the computation of the student’s GPA if the course is subsequently passed, shall be as prescribed in Faculty Regulations.

10. (i) Where credit for a course taken at another institution is requested, it is the student’s responsibility to provide all the information needed by the University to enable it to assess the course.

(ii) Credit hours earned from another institution at the time of admission to the University of the West Indies will not be used in the computation of a grade point average.

11. (i) A UWI student who wishes to take academic courses elsewhere and apply those credits toward the UWI degree must obtain approval in advance from the relevant Academic Board on the recommendation of the Board of the Faculty in which he/she is registered.

(ii) Only the grade equivalent as determined by the Board for Undergraduate Studies of the results achieved and not the marks or grades so earned at another institution shall be used in the computation of such student’s GPA.

12. (i) Except where otherwise prescribed in Faculty Regulations, a student whose GPA for a given semester is less than 2.00 shall be deemed to be performing unsatisfactorily, and shall be placed on warning. A student on warning whose GPA for the succeeding semester is less than or equal to 1.99, will be required to withdraw. However, a student may be reinstated if his/her GPA improves beyond 1.99 in Semester 2 by credits obtained in Summer School.

(ii) Except for the students in the Faculty of Engineering, students who entered a programme prior to academic year 2015/2016, and who are given leave by their Faculty to continue into academic year 2015/2016 despite having a GPA of less than 2.00 at the end of academic year 2013/2014, will have their GPA set at 2.00 at the beginning of academic year 2015/2016.

Alcohol Policy

University-Wide Policy

In our pursuit of excellence, intellectual and social development through education, the administration of Cave Hill Campus expects those within its community to be responsible with the use of alcohol. This policy shall guide the use of alcohol everywhere on the properties of this Campus and at all events sponsored by this University. Students and staff members are encouraged to learn about the social, physiological, and psychological consequences of drinking and alcohol abuse. Excessive and high-risk drinking can lead to negative consequences for members of the university's community. Such consequences may include but are not limited to incidents of assault, illness, injury, litter, noise, property damage, and driving under the influence. We all share responsibility for creating an environment that limits dangerous drinking behaviours and, therefore, reduces the likelihood of negative outcomes.

The following shall guide the use of alcohol on Cave Hill Campus:

- All possession, consumption, and distribution of alcohol on this Campus shall be in accordance with applicable Laws of Barbados.

- All members of this Campus are responsible for behaving in a manner that is not disruptive or endangering to themselves or others. Being under the influence of alcohol shall not be a mitigating factor for an individual’s behaviour.

- When persons under 21 years of age can reasonably be expected to be present at an event, proper precautions must be taken to restrict distribution and consumption of alcohol to persons of legal drinking age. Student associations shall adhere to the specific guidelines for events outlined in the regulations governing the holding of student fetes and social events at the Cave Hill Campus.

- Advertising or other communication that references the availability of alcohol at a function must neither promote alcohol as the focus of the event nor promote excessive drinking.

Underage Possession/Consumption:

- Students under 21 years of age are not permitted to purchase, possess, or consume alcoholic beverages. Being under the influence of any amount of alcohol while underage is considered a violation of this provision. The Guild Council, Island Associations or other groups are considered in violation of this provision if they facilitate the acquisition of alcohol by anyone under the age of 21.
Unsafe / Irresponsible Behaviour:

- Unsafe or irresponsible behaviour is defined as any actions that is harmful or potentially harmful to one’s self or others involving the use of alcohol. Such behaviour includes, but is not limited to:
  - consuming an excessive quantity of alcohol in a short amount of time;
  - participating in or facilitating drinking games;
  - consuming through beer bongs;
  - use or attempted use of fraudulent identification or another’s identification to obtain alcohol; and
  - making alcohol available to underage drinkers.

Community Expectations Violation:

It shall be a violation of the alcohol policy to engage in an action while under the influence of alcohol that is disruptive to the community. Such behaviour includes, but is not limited to:

- driving; exhibiting disorderly conduct, damaging property, and/or fighting; littering;
- running away or hiding from university or public officials, including Campus Security or members of the Royal Barbados Police Force;
- vomiting and/or urinating in public; and
- cursing and/or shouting at others.

General Provisions Violation:

The University has established the following general provisions regarding alcohol:

- No kegs are permitted on campus in private rooms, student apartments, commons rooms, or other public space. (Only University-approved bartenders, who will be responsible for and distribute alcohol from kegs in public space at officially approved events.)
- Only university-approved bartenders are permitted to distribute alcohol on campus, including alcohol from common-source containers.
- Except at events in a licensed facility providing a cash bar, no spirituous liquor or fortified wines may be served to either undergraduates or graduates.
- All students on university property consuming or possessing alcohol must carry a valid University identification card or Driver’s license.
- Alcohol may not be brought in glass containers to on-campus events.
- No alcoholic beverages are permitted on the surrounding grounds of Campus.
• No alcoholic beverages are permitted within the confines of campus athletic facilities during sporting events.
• The use of alcoholic beverages as a prize is prohibited.

Health and Safety Intervention:
Because health and safety of students are of primary importance, students are encouraged not only to look out for their own health and safety but also for that of their peers. When a person's health and/or safety is/are threatened or appear(s) to be in jeopardy, immediate action should be taken to prevent injury/illness/danger. Your action may be a call to Campus Security at 417-40003/4164 or the Health Clinic at 417-4170/4171 or the Psychological Counselor at 417-4169 for assistance and guidance.

Whatever the particular need/problem, it is important to respond in a responsible and timely manner.

Formal disciplinary action for a violation of the alcohol policy will not be taken against students for whom medical assistance is sought, or against those who seek medical assistance for themselves or for others, provided that the student/group has not violated other university policies that warrant formal disciplinary action.

A student who receives medical assistance may be required to meet with a substance abuse specialist in Counseling or a Counselor from the Office of Student Services for education, assessment, and possible referral for treatment. The student may also be required to complete an educational assignment. Parents of such students under the legal drinking age may also be notified. Members of Island Associations or group who facilitated the acquisition of alcohol may also be required to notify the Office of Student Services and participate in an educational programme for its members, and/or change its processes for hosting events.

In the event that a student fails to meet with the specialist, chooses not to participate in the treatment programme outlined, or exhibits a pattern of abusive behaviour with alcohol, the student may be subject to formal disciplinary action and/or placed on a Medical Leave of Absence or Involuntary Administrative Withdrawal until he/she produces documentation that appropriate treatment has been successfully sought.
