THE ARMS OF THE UNIVERSITY

The arms of the University consist of a shield and a crest.

The background of the shield is the sea represented by blue and white wavy lines on which is an open book. The upper part of the shield is red with a lion to show the connection with the Crown. This is the lion borne by H.R.H. Princess Alice, Countess of Athlone, appointed by King George VI to be the first Chancellor, so that this appointment is recorded forever in the Arms of the University.

The crest is the brown pelican which fishes in its prehistoric fashion along the coast of all the Caribbean Lands: the pelican is a symbol of care for the young because of the medieval, but untrue, belief that it punctures its breast to feed its young on its blood. It is also used as a crest by the Corpus Christi Colleges of Oxford and Cambridge.

THE MOTTO OF THE UNIVERSITY

“Ohiens ex Occidente Lux:
“A Light Rising from the West”
A very warm welcome to The University of the West Indies family! The UWI family comprises approximately 47,000 students and 5,000 staff across four campuses - the Cave Hill Campus located in Barbados, the Mona Campus in Jamaica, the St. Augustine Campus in Trinidad and Tobago and the Open campus which provides face-to-face and on-line delivery of courses and continuing professional education in more than 50 sites across the seventeen countries served by The UWI. The extended family also includes more than 120,000 alumni represented at the highest levels of government, corporate and professional life across the Caribbean and worldwide.

As you enter the academy, we are undergoing a period of introspection and reengineering to be better able to serve our many stakeholders – you, your families, our contributing Governments, private sector and industry. I reiterate a fundamental truth: universities are not built to serve themselves. The UWI was built and sustained in order to serve the people of the Caribbean and to enhance humanity’s development globally. The Caribbean is one nation created as a unique civilization. It continues to be influenced and fertilized by many cultures and is inferior to none but equal to all. The UWI’s priority has to be rebuilding our economic competitiveness and the achievement of economic growth and development, to drive our region out of recession. To get us out of the recession, we need an activist university committed to conceptualising and implementing solutions aimed at improving the quality of life in the Caribbean. To bring this activism to the fore, we shall launch the “Triple A” strategy:

- **Alignment** of industry and academia for wealth creation and distribution
- **Expansion** of **Access** to tertiary education
- **Alertness** to global opportunities.

This vision shall be achieved through:

- **INTEGRATION**: Reshaping UWI into one indivisible academy that moves a unified Caribbean forward.
- **ACCESS**: Making education the building block of our economic development and social progress by ensuring and equipping at least one university graduate in every Caribbean household.
- **PEOPLE IN FOCUS**: Celebrating the rise of everyday Caribbean men and women, as citizens with energy and ideas to shape and mould the trajectories of our communities.
- **JUSTICE**: Rekindling intellectual engagement that presents our region with radical alternatives toward freedom and social justice.

*Continued ...*
MESSAGE FROM THE VICE-CHANCELLOR Continued …

- **INNOVATION:** Building strong industry-academy links, in which innovation and value creation are prioritized.
- **EXPANSION:** Making UWI a global university for our region.

You will be part of achieving this vision. Over the next few years, our student body will be called upon to play its role in maintaining our relevance through sustained high performance in academics, sports, innovation and service to our community.

We are widening our global reach to provide more opportunities for collaboration, and student and faculty movement. Through programmes such as the Erasmus Mundus and CARPIMS mobility schemes, the just established UWI-China Institute for Information Technology, cooperation agreements with Sophia University in Japan, the State University of New York, joint degree programmes, partnerships in Latin America, The UWI is more globally connected than it has ever been. You are now part of that exciting evolution and we look forward to you playing a full role in our development.

The next few years are also about establishing meaningful friendships and networks. The connections you build will extend beyond your years at University and some will last a lifetime. Take every opportunity presented you to travel to another campus or another of the countries served by The UWI. The UWI Games which takes place very two years – hopefully annually in the not too distant future - is a wonderful opportunity to meet your counterparts at another campus. Additionally, we will be ensuring that all students benefit from teaching by faculty members from another campus in order to deepen your learning experience as members of a regional university. We have agreed to begin with the Foundation Courses, thereby creating a culture of cross campus teaching to bring students together across physical boundaries and give each of you a truly regional university experience. We hope that your relationship with us will extend beyond your graduation and that you will continue to be engaged as alumni.

Each year, our new students inspire enthusiasm and hope. Your University is committed to ensuring that we deliver programmes of high quality and relevance to national and regional development. Your enthusiasm and engagement help us to stay the course. Our contributing Governments have been supportive through funds provided directly to the university and support to students. However, we are mindful of the challenges they themselves face in meeting their many obligations and The UWI has been making efforts to diversify the funding base to complement existing funding sources and to streamline operations to make them more efficient and cost effective. Your responsibility will be to ensure that the resources expended in your training are maximised as much as possible. Whether you are funded by your Governments, your families or yourselves, it is an investment in your future, in our collective future.

My best wishes to each of you for a fulfilling and rewarding experience at the UWI!

**Professor Sir Hilary Beckles**  
**Vice-Chancellor, The University of the West Indies**

and research inside and outside of the classroom. Use the opportunity to venture beyond your comfort zone. Take an active part in your education and make the time to reflect on who you are and who you are trying to become. Wherever possible, take classes in areas that introduce you to fields and ideas outside of your majors and which will help you develop new ways of thinking and understanding. Participate in activities you have never tried and seize all opportunities to reach out to and connect with people who are different from you.

We all know that in the early days, life on Campus may seem to be confusing and sometimes overwhelming. Remember that there are many persons available to help you work through these moments both academic and otherwise. We want you to remember that we are all here to serve and that we have complete faith in your abilities and future. Welcome to this new academic year. Make it exciting, fulfilling and rewarding.

Very best wishes for a healthy, happy and productive period of study!

Prof. V. Eudine Barriteau, GCM  
BSc UWI, MPA New York, PhD Howard  

Pro Vice-Chancellor and Principal  
Cave Hill Campus
MESSAGE FROM THE GUILD PRESIDENT

Today, we look ahead towards a new Academic Year that may one day be known as a redefining moment in your life, that of this noble institution, and the region at large.

The University of the West Indies, Cave Hill Campus prides itself in advancing, education and creating “knowledge through excellence in teaching, research, innovation, public service, intellectual leadership and outreach in order to support the inclusive (social, economic, political, cultural, environmental) development of the Caribbean region and beyond.” The Guild of Students, faculties, staff, alumni and all other stakeholders of the institution are known for their commitment to excellence in all these areas.

This Campus plays an integral role in nurturing the minds of our region. I have never seen a more accurate definition of diversity than here at Cave Hill. Unfortunately, in recent years, the Campus has seen a heavy decline in funding and resources and thus a decline in students. But with a vision, hope, determination and action we must keep moving forward.

We hold the key to harnessing the power for the advancement of all the sectors within our university and this region despite the challenges. We are pioneers with the ability to supersede the transformative potential that we are perceived to contain. With the right attitude and actions, we cannot be surpassed in our impact. The time is now for us to epitomize the university’s mission, both home and abroad. Our talents are immeasurable. Our creativity as a people is often unfathomable. Our greatness is insurmountable.

One prolific statement made by former Vice Chancellor of The UWI, Professor Ralston “Rex” Nettleford, is that The UWI is this region’s greatest gift to itself. We therefore cannot let that gift whither away. We have a duty to use, maintain and develop that gift in order to harness the undisclosed treasures that are within it.

I am honored and humbled to serve as your Guild President for this academic year. I pray that as you embark on this academic journey, your lives will be transformed and that transformation will be made evident in your development, that of The UWI Cave Hill and our region.

Mr. Olvine Holas BSc.

President, Guild of Students 2016-2017, The University of the West Indies, Cave Hill Campus
Map of Barbados
THE UNIVERSITY OF THE WEST INDIES, CAVE HILL CAMPUS IN BRIEF

The University of the West Indies (UWI) is a regional university serving the English-speaking Caribbean countries of Anguilla, Antigua and Barbuda, Barbados, Belize, Bermuda, The Commonwealth of Dominica, Grenada, Jamaica, Montserrat, Federation of St. Kitts & Nevis, St. Lucia, St. Vincent & the Grenadines, The Bahamas, The British Virgin Islands, The Cayman Islands, The Turks & Caicos Islands, and Trinidad & Tobago.

The University started in Jamaica in October, 1948 as the University College of the West Indies in a special relationship with the University of London, UK. It was subsequently granted University status in 1962. In the following year Colleges of Arts and Sciences were established in Trinidad & Tobago and Barbados.

In August 1967 the College of Arts & Science in Barbados was moved from its temporary quarters at the Deep Water Harbour, Bridgetown to its present site at Cave Hill, St. Michael. The College became a full campus with the establishment of the Faculty of Law in 1970 and the name was changed to the Cave Hill Campus of The University of the West Indies.

The main Campus is located on 47 acres of land which the UWI holds on long-term lease from the Government of Barbados. The physical expansion has taken place in a manner sympathetic to the original architectural design of low-rise buildings, simplicity and orderliness. This, combined with the scenic attractiveness of the site and the relatively small size of the University community, has resulted in an atmosphere of intimacy and friendliness which is immediately felt by visitors to the Campus.

In 2008 the Government of Barbados granted an additional 33 acres of land contiguous to the existing campus which the University continues to develop. The Postgraduate Teaching Complex and a FIFA-rated football field are located on this site. Through subsequent lease arrangements with Government and a private donation, the land area of the Campus has expanded to approximately 98.12 acres.

From its nascence in 1963 as the College of Arts and Science, the Campus has become a leader in tertiary education and an internationally-recognised beacon of academic excellence.

In 2013 Cave Hill celebrated its golden anniversary reflecting with pride on its contribution to regional development and the upliftment of Caribbean people. In 2016 the UWI Cave Hill Campus joins the people of Barbados in celebrating their 50th anniversary of Independence.
BARBADOS in brief

- Barbados is the most easterly island of the Caribbean island chain. The closest islands are St. Vincent & the Grenadines and St. Lucia located to the west, and Trinidad & Tobago located to the south. Barbados is located approximately 2,573km (1,600 miles) southeast of Miami, Florida.

- The island’s total land area is 430 sq. km (166 sq. miles). It measures 33.79km (21 miles) long by 22.53km (14 miles) wide and is divided into eleven parishes. The capital city, Bridgetown, is located in the parish of St. Michael. The Historic Bridgetown and Garrison area was designated a World Heritage Site in June 2011.

- Barbados falls within the Atlantic time zone. The standard time is Greenwich Mean Time minus four hours. Barbados does not observe daylight saving time.

- Bounded by the Caribbean Sea and the Atlantic Ocean, Barbados enjoys north-east trade winds all year which help to keep the island cool. The island experiences a dry season from December to May, and a rainy season between June and November. The average temperature is 28 degrees Celsius (82.4 degrees Fahrenheit).

- Barbados was first inhabited by the Arawak Indians who migrated from Venezuela. It is believed that they inhabited the island from 350-400 BC. When the British arrived in 1625 they found the island uninhabited and they claimed it in the name of King James I. Two years later on February 17, 1627 the first settlement landed on the west coast of the island, near what is now called Holetown (formerly Jamestown).

- Barbados has been a sovereign independent state within the Commonwealth since 1966 when full independence was gained from Britain. However, ties to the British monarchy are still maintained through the Governor-General.

- The government of Barbados is a parliamentary democracy where the political party with the greatest representation in parliament forms the government. The leader of government is the Prime Minister, who selects a cabinet from party members in the legislature. The first leader of Barbados as an independent nation was the Right Excellent Errol Walton Barrow. The current Prime Minister is The Honourable Freundel Stuart, M.P.

UNIVERSITY REGULATIONS

Students at the Cave Hill Campus are subject at all times to the discipline and authorities of the University. The Principal is the final authority on the interpretation of these regulations.

A. GENERAL REGULATIONS

1. Payment of fees and other debts to the University
   (a) All fees and other charges are payable in advance in the manner prescribed from time to time.
   (b) Only students in good standing will be registered or entered for Degree, Diploma or other examinations of The University of the West Indies. (“In good standing” means that all debts owed by the student to the University are fully paid or that arrangements satisfactory to the University have been made for their payment).

   Note: The University reserves the right to refuse to issue academic records or information about students who are not in good standing.

2. Rebates
   (a) If a student is forced by illness to discontinue his or her studies, part of the fees paid in advance by the student may be refunded according to the University’s Refund Policy.
   (b) Examination fees, where payable, cannot be transferred from one examination to another and can be returned only under exceptional circumstances.
   (c) There will be no refund of Hall fees to students withdrawing from the Hall before the end of the semester.

3. Place of Residence
   Students are required, on registration, to notify the Campus Registrar, in writing, of their permanent address, and their address in Barbados during the semester. Students are also required to notify the Campus Registrar, in writing, of any change of address within 14 days of any such change, and to ensure that all address changes are recorded in the online student administration system.

4. Leave of Absence
   (a) A candidate who for good reason wishes to be absent from an academic programme for a semester or more must apply for formal leave of absence to the Campus Faculty Board, through the appropriate Dean (undergraduate) or Campus Coordinator, School for Graduate Studies and Research (postgraduate), stating the reasons for the application.
(b) The length of such leave of absence, if granted, will be subject to approval by the Academic Board of the Campus concerned (undergraduate) or Campus Committee for Graduate Studies and Research (postgraduate), but will not exceed one year in the first instance terminating at the end of the academic year for which the application is approved.

(c) Leave of absence will not be granted for more than two consecutive academic years.

(d) Leave of absence may be granted for one semester or for an academic year.

(e) Applications for leave of absence for a semester shall normally be submitted by the end of the third week of the relevant semester.

(f) Applications for leave of absence for the academic year shall normally be submitted by the end of the third week of Semester I.

4.2 Leave of Absence from Classes
Undergraduate students are required to apply to the appropriate Dean, or Faculty Board Chair, for permission to be absent from classes, except in cases of illness. In cases of illness a medical certificate should be submitted to the Campus Registrar.

4.3 Absence from the Island
Undergraduate students must apply in advance to the Principal, through the appropriate Dean, or Faculty Board Chairman, for permission to be away from Barbados during the semester, and shall state the grounds for requesting such leave.

4.4 Departure from Campus before End of Semester
Undergraduate students shall be required to submit in writing to the Campus Registrar, through the Dean, at least 3 weeks before the planned date of departure, requests for permission to leave the Campus Country before the semester ends. Students may be exempted from the prescribed three-week notice in the event of emergency requests, as in the case of a death in the family.

5. University Property
(a) Students must not alter or transfer furniture or fittings of any kind from any part of the University buildings including rooms in Halls of Residence without prior written permission from the proper authorities. Students are not permitted to interfere in any way with the layout of the University grounds without similar permission.

(b) Students will be liable to pay for any loss of or damage to the furniture and fittings or equipment of any kind.

(c) Students must not interfere with the electrical or plumbing installations in any student rooms or in any part of the University.
6. **Students’ Property**
The University accepts no responsibility for the loss or damage of property of students.

7. **Academic Dress**

8. **Normal Dress**
Students are required when attending classes or other formal business on University premises to be neatly and appropriately dressed.

9. **Marriage of Students**
A student who intends to get married, while still a member of the University, should inform the Principal through the Director of Student Services. Students who are not resident on Hall shall do so through the Campus Registrar. (Students should note that the University will not support requests for increased financial assistance of any kind on the grounds of marriage).

10. **Responsibility of Students**

NEW UNDERGRADUATE STUDENTS

(a) The English Language Proficiency Test (ELPT) is used to assess whether persons offered places in undergraduate degree programmes at the UWI Cave Hill Campus possess a satisfactory level of writing and reading proficiency in English for University academic purposes. The ELPT is used as a diagnostic tool and entrants who pass the test are allowed to enter directly into the Foundation Language Programme.

(b) Entrants who were unsuccessful or were unable to take the ELPT in April 2016 are required to take the English course – FOUN 0100 Fundamentals of Written English – before going on to take the Foundation Language courses. There is a charge of BDS $500.00 to register for the course FOUN0100. This amount is assessed and added to your account on registration and must be settled during the normal period.

(c) Entrants are allowed to take the ELPT only once and results are valid for five years.

NEW POSTGRADUATE STUDENTS

Any postgraduate student whose first language is not English is required to submit results of a recent TOEFL or approved EFL test prior to registration.
ORIENTATION SESSIONS

Orientation sessions focus on helping new students adjust to life at Cave Hill Campus. Students get information on where to go for assistance, are sensitised to safety and security issues, and get tips on how to succeed with their studies and maximise the benefits of their undergraduate education. Regional and International students will get special insights into Barbadian society as well.

During Orientation week, various Campus tours as well as other activities are coordinated by the Office of Student Services and the Guild of Students.

YOU ARE ENCOURAGED TO ATTEND ALL OF THE EVENTS THAT HAVE BEEN DESIGNED TO MAKE YOUR ENTRY TO THE UNIVERSITY AS SMOOTH AS POSSIBLE.

INTERNATIONAL STUDENTS

Students who are part of the Student Exchange Programme are required to meet with Mrs. Paula Jarvis (Administrative Assistant, Education Abroad Programmes), upon arrival at the Campus for an orientation and to be briefed on Campus life.

International students are also invited to all orientation activities organised by the University for the benefit of incoming undergraduates at the Campus, as well as to activities organised by the Students’ Guild.

UNDERGRADUATE STUDENTS

Undergraduate students must first be counselled in their Faculties before they attempt to register for courses. New students are therefore expected to attend the Welcome Address given by their Dean and then meet with Faculty Academic Advisors. Advisors will discuss with each student their intended programme, and help the student choose an appropriate combination of courses.

Note: Students who wish to select an elective course in Management or Law must first seek the written approval of their Dean. Students will only be permitted to select such a course after written approval has been granted.

POSTGRADUATE STUDENTS

The orientation session for new postgraduate students in face-to-face programmes will be held on Tuesday, August 30 at 5:30 pm. During this session, postgraduate students will receive general administrative information and information on student support services. They will then meet with their Programme Coordinator / Academic Advisor / Supervisor to receive academic counselling and to discuss selection of courses.

Faculties and Departments may also arrange other orientation events.

REGISTRATION TERMINOLOGY

**ADD/DROP:** This is the period in which you may adjust your registration by adding or deleting courses without penalty.

**CORE COURSE:** A course that is required for your degree programme.

**COURSE CODE:** An alpha numeric code used to identify a course, thesis, research paper, or seminar, e.g. IMGT6030. The letter part of the code identifies the subject (in this case International Management) while the ‘6’ indicates that it is a postgraduate level course.

**COURSE LOAD:** The maximum number of credits you are permitted to take as a full-time or part-time student.

**CRN (COURSE REFERENCE NUMBER):** The 5 digit-number used to identify a particular section of a course.

**ELECTIVE COURSE:** A course not specifically required as part of your programme, but one which you can use to meet the credit requirements of the programme.

**FULL-TIME POSTGRADUATE STUDENT:** This is a student who is taking the maximum number of courses permitted by the programme regulations. It does not refer to the time of day as many courses are held in the evenings or on weekends.

**FULL-TIME UNDERGRADUATE STUDENT:** You are considered a full-time undergraduate student if:

- ......you are in the Faculty of Science & Technology and you are taking a course load of fourteen (14) or more credits per semester, or
- ......you are in the Faculty of Social Sciences, the Faculty of Humanities & Education, or the Faculty of Law and you are taking a course load of twelve (12) or more credits per semester, or
- ......If you are in the Faculty of Medical Sciences, and undertaking a full-time course load.

**HOLD:** A Hold is a block placed on a student’s record placed for financial reasons, failure to return library books or while examination results are pending declaration. Your CHOL account will indicate the type of Hold. If the Hold is financial or library-related then it cannot be removed without the intervention of the Bursar or Librarian. Grade Holds are automatically removed after examination results have been declared and are official.

**PART-TIME POSTGRADUATE STUDENT:** This is a student who is taking fewer than the maximum number of courses permitted by the programme regulations. It does not refer to the time of day of the courses as many postgraduate classes are held in the evenings or weekends.
**PART-TIME UNDERGRADUATE STUDENT:** You are considered a part-time undergraduate student if:

- You are in the **Faculty of Science & Technology**, **Faculty of Social Sciences**, the **Faculty of Humanities & Education**, or the **Faculty of Law** and register for **a maximum of three courses per semester**.

- If you are in the **Faculty of Medical Sciences**, and not undertaking a full-time course load.

**PRE-REQUISITE:** This is a course that must be taken successfully before you can register for another course. For example, if CHEM 0100 is a prerequisite for CHEM 0200, you will not be able to register for CHEM 0200 until your record shows successful completion of CHEM 0100.

**RESTRICTION:** The student administration system applies registration filters which will block you from selecting certain courses. These restrictions may be based on:

- **level** (if trying to select a postgraduate course as an undergraduate student or vice-versa),

- **programme** (if trying to select a course that is not a part of your programme),

- **college** (if trying to select a course from a different faculty),

- **duplication** (you may be trying to register for the same course with 2 different section numbers),

- **pre-requisite** (if trying to register for a course that has a pre-requisite, where you have not yet completed that pre-requisite),

- **repeat** (if trying to register for a course which has an open registration from a previous semester),

- **course load** (if trying to register for a full-time course load while a part-time student).

**SEMESTER:** This is normally a 13-week period of instruction (including examinations). Semester 1 runs from the end of August until the middle of December, Semester 2 runs from January until the middle of May. IDENTIFICATION CARDS

Issue of Cards

(a) Every student must have a valid student identification (ID) card which they must produce at the library, Student Guild, examination rooms and other places as may be requested. The card must be visibly worn at all times while on the University Campus.

(b) Arrangements for issue of ID cards will be posted on the registration webpage www.cavehill.uwi.edu/chol. Accommodation will be made for students who need to register before or after the published dates.
Note If you have changed your Faculty you must receive a new ID Card.

Renewal of ID cards is required when the card has expired. Continuing students must present proof of payment of fees for renewal of their ID cards. Renewals are done in the Records Section of Student Affairs.

Replacement of ID cards is required when an ID card has been damaged or lost. If an ID card is lost, this must be reported immediately to the Records Section, Student Affairs. A student will be issued with a new ID card when he/she presents the receipt for payment of Bds$30.00 for a replacement (along with the damaged ID if applicable) to the Records Section.

The student ID card is the property of the University and is to be returned to the Records Section, Student Affairs on completion of the programme for which the student is registered, or on withdrawal from the University.

CAMPUS SECURITY AND SAFETY

While the Campus and island of Barbados are relatively very safe, students are advised to take sensible safety precautions. Students should exercise caution when travelling near the wooded areas on the environs of the Campus, avoid walking alone near these areas in the late evening and at night, and use the clearly defined walkways and access road to the Campus.

Students are also very strongly advised to accept car rides only from persons well known to them and to report any suspicious looking person seen on the Campus to the security personnel. Students living in Halls of Residence are reminded to secure their books, personal belongings, money etc., and to make sure their rooms are locked before leaving.

Students should note that as a safety and security measure, they may be stopped and challenged on Campus by authorised security personnel. For this reason, students should visibly wear their Student ID card.

The Campus Registrar invites students to report to him, through the President of the Guild of Students, any security or safety risks which need attention and in particular, structural defects to buildings, damage to windows, doors, and the like.

STUDENT VISAS

Non-Barbadian students must obtain a student visa. This process is started after you arrive on the Campus. The visa is granted for one year on completion of a Certificate of Eligibility (H-1 and H-2 forms) from the University and is renewable on completion of a Non-Immigration Notice and Report Form (H-3). To comply with the immigration requirements new students must submit the completed application forms (H-1 and H-2) and continuing students must submit the (H-3) form along with:

1) One (1) passport size photograph for new students and continuing students
2) Proof of accommodation
3) Proof of financial support (which must be submitted along with your offer letter
to the Records Office before you arrive in Barbados). Ensure you have copies for Barbados Immigration officials who may request them.

4) Application fee of Bds$300.00*

* The Government of Barbados has agreed to waive the visa application fee of Bds$300.00 for citizens of the countries that contribute to the University’s recurrent budget.

Students from a contributing country who hold a foreign (e.g. Canadian) passport must satisfy immigration of their citizenship of a contributing country.

The contributing countries are Antigua & Barbuda, Anguilla, Barbados, Belize, Bermuda, The Bahamas, The British Virgin Islands, Cayman Islands, Dominica, Grenada, Jamaica, St Kitts & Nevis, St Lucia, St Vincent & The Grenadines, Trinidad & Tobago and Turks & Caicos.

Students must be properly registered with fully paid fees before submitting the completed forms and supporting documents to the Records Office, Student Affairs. This submission must be made within two (2) weeks of the start of your programme. That office will liaise with the Immigration Office on your behalf.

Students must submit their passports to the Immigration Office for endorsement on receipt of the visa which is normally issued at the beginning of Semester II.

All immigration forms H-1, H-2 and H-3 are to be downloaded from www.immigration.gov.bb/pages/downloads.aspx

EXAMINATIONS

Students are normally required to write examinations at the end of each semester, i.e. December, April/May and at the end of the summer session in July. Examinations are administered in accordance with the University’s Examination Regulations.

Supplemental examinations where permitted, take place in July/August or as prescribed in Faculty Regulations. The examination timetable is published on the official notice board at least one (1) month in advance of examinations. Only registered students in good financial standing are allowed to write examinations.

Overseas students should note that examinations are held simultaneously on the three Campuses of the University and only in very exceptional circumstances would they be permitted to write an examination outside of the schedule. Since the semester ends after the examination period, students should book their passage to travel after the semester ends.
Examination Cards

The Cave Hill Campus requires each student writing examinations to be in possession of a valid examination card issued as determined by the University’s Examination Office. Examination cards must be presented along with student identification cards to gain entry to any examination room. The schedule for collecting examination cards is available from the Examinations Office (undergraduate students) or the Graduate Studies Complex (postgraduate students). The schedule is also published online.

Examination cards are produced for students who are in good financial standing. Students must present both their student identification and examination cards to enter examination rooms and must collect examination instructions from the Examinations Office.

Conduct of Examinations

The University views cheating in Examinations, including the introduction or use of unauthorised materials, as a very serious offence and the penalties imposed if an allegation of cheating is admitted or proved include the following:

1) Disqualification from the Examination in the course concerned.
2) Disqualification from all Examinations taken in that session.
3) Disqualification from all further Examinations of the University, for any period of time.
4) A discretionary additional fine.

CELLULAR PHONES AND OTHER ELECTRONIC DEVICES ARE NOT PERMITTED IN AN EXAMINATION ROOM.

Registration for “Examinations Only” (Undergraduate students)

Some Faculties’ Regulations permit undergraduate students who are finalising students to register “Examinations Only” under specific circumstances. To do so, such students must apply to the Dean of the relevant Faculty. The following rules apply for sitting examinations only:

1) The student must be a finalising student and have a maximum of two courses to complete, and
2) A student must have at least a mark of 45% in the failed course(s).

If permission is granted, the student will be advised in writing and would be required to pay any requisite registration and examination fees as soon as advised to do so.

Postgraduate Students should note the relevant regulations with regard to Examinations contained in the General Regulations for Graduate Diplomas and Degrees. Fees for re-sitting examinations and for retaking courses are detailed in the Financial Handbooks available on-line.

STUDENT EXCHANGE PROGRAMMES

You have decided that The University of the West Indies is the institution best placed to provide you with the tertiary education you desire and to prepare you for your future contribution to Caribbean development. However we are sure that you would welcome the chance to experience life as a student at another University.

The University of the West Indies makes it possible for its students to enjoy the best of both environments. Through our International Exchange/Study Abroad Programme, UWI enjoys collaborative links with more than 30 institutions worldwide, allowing students to spend a semester or a year pursuing courses for credit at one of these institutions.

Students may also opt to spend the exchange period at the Mona Campus in Jamaica, or the St. Augustine Campus in Trinidad.

For details of this programme, overseas universities, application procedures, etc. visit www.cavehill.uwi.edu
SUMMER SCHOOL

Email: summerschool@cavehill.uwi.edu

Undergraduate
The University of the West Indies organises a Summer School which is intended to assist undergraduate students in accelerating their programmes and to assist others in early recovery from failure. The programme is of approximately 6 weeks’ duration followed by a 2-week examination period. Regulations, course lists and other relevant information may be obtained from the Summer School Office, Student Affairs or on the Web.

Postgraduate
Teaching continues in some postgraduate programmes during the summer session. Your Programme Coordinator will provide further information.

Note that no Guild or Amenities fees are charged for the summer session.

TRANSCRIPTS

Transcripts of academic records are supplied on request directly. Unless advised otherwise, our Records Office will send transcripts for exchange students to their universities at the end of their period of study. The Records Office also sends annual progress reports on undergraduate scholarship holders to governments and donors. Transcript Request forms are available for download from www.cavehill.uwi.edu/studentaffairs/request_transcript.asp

SCHOLARSHIPS, BURSARIES AND PRIZES

The University of the West Indies administers a number of University scholarships, bursaries and prizes, as well as other scholarships, exhibitions, and bursaries from government organisations and individuals. The awards vary in value and criteria for eligibility and are usually awarded on an annual basis. The Records Section, Student Affairs, administers undergraduate scholarships, awards and prizes donated by the Faculties, Departments, businesses, service clubs or interested persons in the community.

The Postgraduate Scholarship committee of the School for Graduate Studies and Research administers postgraduate scholarships and awards.

All students should refer to the Financial Aid website: http://www.cavehill.uwi.edu/financial/home.aspx for information on scholarships available.

ROUTE FOR STUDENT CONCERNS

Undergraduate students should raise academic and administrative concerns first with their Staff/Student Liaison Committee. If the matter cannot be resolved at that level, the student should escalate matters in the following order: - their Head of Department, Deputy Dean (Undergraduate); Faculty Dean; Deputy Principal.

Postgraduate students should raise academic and administrative concerns first with their Staff/Student Liaison Committee. If the matter cannot be resolved at that
level, the student should escalate matters in the following order: - their Programme Coordinator / Supervisor; Head of Department; Faculty Dean; Campus Coordinator for Graduate Studies and Research, Deputy Principal.

**Matters should only be escalated if not resolved.**

**STAFF/STUDENT LIAISON COMMITTEE**

Staff/Student Liaison Committees provide a platform for student views, concerns and suggestions to be brought to the attention of the staff by student representatives in order to improve the quality of the educational experience by dealing with issues in a timely fashion.

The committee meetings, usually convened at least once per semester by each Faculty and/or Department, are chaired by the elected Faculty student representative and are constituted for undergraduate and postgraduate studies. Other members of the committee usually include student representatives from each discipline, programme or class level and selected faculty members such as Heads of Departments and discipline or programme Coordinators. The meetings therefore allow for frank discussion and serve to foster a greater interaction between students and staff. **Become involved** by contacting your elected student representative if you wish to draw attention to a particular challenge you are facing or to indicate your willingness to serve as a discipline or class level representative on the committee.

**WITHDRAWAL FROM THE UNIVERSITY**

Students who intend to withdraw from the University should advise the Student Affairs Office (undergraduate students) or School for Graduate Studies and Research (postgraduate students), in writing by the end of the third week of the relevant semester.

A student considering withdrawing is strongly advised to consult with their Dean (undergraduate students) or the Campus Coordinator for Graduate Studies and Research (postgraduate students) before taking a final decision.

Please review the **Refund Policy** (included in this document as Appendix A. Page 116) for relevant details of refunds and the timelines in which they apply.

Students who withdraw voluntarily from the University after having been absent for an examination for which they were registered will be deemed to have been absent from that examination. The result of this examination will normally be declared as absent/fail.

**REMOVAL FROM REGISTER**

Students may be required to withdraw from the University and have their name removed from the Register of Students for the following reasons:

- unsatisfactory academic performance, or
- failure to re-register every semester.

www.cavehill.uwi.edu/lawlibrary

The Law Library is centrally located within the Faculty of Law building. It has an extensive collection of West Indian and other Commonwealth legal materials, and is considered the premier legal library in the region. The collection is now in excess of 125,000 volumes. It includes 620 periodical titles and 400 law reports, statutes, digests and citators. The collection’s unique feature is the West Indian Section, including theses and research papers produced by staff and students and approximately 32,000 West Indian cases, most of them unreported.

The Law Library also has one of the most extensive collections of West Indian legislation in existence, including pre-1900 laws of the region which have been acquired on microfilm. The Law Library received substantial grants from the Board for Graduate Research to fund this project in co-operation with the Department of History and Philosophy, the Sidney Martin Library, UWI Cave Hill; the Archives Department and the Barbados Public Library. Content lists to the Laws on microfilm have been compiled.

The Law Library aims at providing a legal reference service for practitioners and researchers in general, in addition to supporting the teaching programmes in the Faculty of Law where approximately 425 students, including postgraduate students, are registered. The Law Library has access to several online legal databases. These include Lexis-Nexis, West Indian Reports Online, Index to Legal Periodicals, US Supreme Court Reports and UN Treaty Series. An electronic database of West Indian legislation and cases, CariLaw, was launched in 2005. The Law Library’s online catalogue was also launched in 2004, and is now available on the Internet.

The Office of Student Services (OSS) coordinates out-of-classroom learning experiences and activities for postgraduate and undergraduate students.

OSS seeks to facilitate the adjustment of students to University life by providing a number of developmental programmes such as the First Year Experience (FYE) programme, and the RAPS & PACE programme. These seek to provide students with the tools necessary to be successful at University and in life. The Vision and Fortitude programme offers students the opportunity to engage in activities that focus on character building and civic responsibility.

The OSS provides a variety of holistic support services such as Students Health Services and Insurance Plan, Student Shuttle Services, and Psychological and Career Counselling.

Additionally, OSS coordinates a number of leadership training workshops for student leaders and provides support to the Guild of Students, Clubs and Societies. Other skills-based activities are facilitated through the Co-curricular credit programme, Mentorship, Internship, and Students Helping Students programmes.

Through its services and programmes, the OSS continues to seek ways to assist students to develop into well-rounded and equipped entry-level professionals and/or industry leaders.

MENTORSHIP

The Mentorship Programme was established in 1994/95 academic year to increase the number of experiential learning opportunities available to students. The mentorship programme allows students to interface with professionals, gain increased practical knowledge about their chosen discipline and be exposed to possible routes to gain both personal and professional development. It also helps students to link theoretical knowledge with practical experiences.

Many distinguished professionals including politicians, economists, accountants, lawyers, insurance executives, teachers, and doctors participate in the programme. Students in their second or final year of study are given preference.

INTERNERSHIP PROGRAMME

The internship programme provides on-the-job training where students gain valuable work experience while exploring their career choice. Some interns find permanent, paid employment with the organizations with which they intern. Employers can also benefit significantly, as experienced interns often need little or no training when they begin regular employment.

This programme enables the University to forge links with the professional community and gain feedback relating to the strengths and weaknesses of our young professionals, with the objective of developing more purposeful academic programmes to meet present and emerging employment needs. The programme also affords students the opportunity to build a network in the business community.

PERSONAL ACADEMIC CAREER ENRICHMENT (PACE)

PACE aids students to develop the skills to map a personal and career success plan. PACE Workshops explore:

1. Peer Support from students who share(d) similar challenges.
2. The skills to critically evaluate ones methods of learning.
3. Skills to maintain and forge healthy relationships.
4. Insight into the power of working in groups.
5. The ability to chart successful and comprehensive career and life plans.

REASONED ACTION FOR PROBLEM SOLVING (RAPS)

RAPS helps students to develop critical thinking skills and effective study skills. RAPS Workshops explore:

1. Reinforcement of critical reading and thinking and problem-solving skills.
2. Steps to possessing academic and personal integrity.
3. The skills to collectively generate new solutions to problems.
4. Techniques to plan for future careers.
5. The opportunity to acknowledge and honour individual abilities.

**STUDENTS HELPING STUDENTS**

Undergraduate Students are trained to be resource persons for fellow students who may be experiencing a problem or crisis. Student helpers are selected by an application process.

Opportunities for training are offered through two mediums:

- **Basic Peer Helping course (COCR 2071).** On completion, you may apply to become a student helper.
- **Peer Helping Workshop.** Once selected, you will be required to participate in a workshop. This will be offered prior to the beginning of semester II of each academic year.

Many students who have participated in this training indicated that it has assisted them in their personal lives.

**CO-CURRICULAR CREDITS**

Undergraduate Students in Level 2 or Level 3 of their programme are eligible to take co-curricular courses.

Co-curricular courses are leadership, sporting and creative activities that promote personal and professional development. These courses allow students to pursue their social interests and earn credits while having fun. Students are permitted to undertake one (1) co-curricular course throughout their academic tenure.

Students should consult with the academic advisor in their Department before registering for Co-curricular credits.

The following co-curricular courses are each worth three (3) credits.

1. Alcohol and other Drugs of Abuse
2. Basic Peer Helping
3. Debating
4. Leadership with Service
5. Peer Education in response to HIV and AIDS
6. Sports (athletics, basketball, cricket, football, Netball and Volleyball)
7. Student Entrepreneurial Empowerment Development (SEED)
8. University Choral Singing

**Co-curricular credits do count and can enhance your curriculum vitae!**
FIRST YEAR EXPERIENCE

Strictly First Years is an initiative to facilitate the personal, academic, career and social success of all first year undergraduate students. Students participate in weekly, semester long and fun activities that support their academic endeavours. Strictly First Years is a great social outlet for developing cross faculty relationships and for meeting people from across the region. Participating in the first year programme can assist in the holistic development of students, and ensure a seamless transition to university life.
VISION & FORTITUDE PROGRAMME

VISION & FORTITUDE sensitises students to the value of differences and giving back to their communities. Several character building and service learning workshops & activities are provided, as well as many service learning and community based activities.

Conscious Vibrations & Community Outreach

Students participate in character building and service learning workshops to enhance their community engagement experience. They discuss issues that affect their society, the value of differences, and giving back to their communities. Creative arts methods such as music and poetry are used in these sessions.

The programme explores the following areas:

- Purpose
- Civic responsibility
- Perseverance and Success
- Resiliency
- Vision and Fortitude
- Integrity
- Service

Braille

The Mentor for Vision and Fortitude promotes Braille literacy across the Campus community. The programme aims to increase mutual understanding between the visually impaired and persons with vision. The interaction also serves to broaden participants’ worldview and serves as a platform to understanding diversity in the broader context.

PSYCHOLOGICAL AND CAREER COUNSELLING

Starting University is as much exciting as it is challenging and perhaps stressful. Counselling can help you proactively problem-solve around your concerns, and formulate plans to resolve many personal and career related issues.

The Cave Hill Campus’ Counselling support team consists of a Psychological Counsellor, a Career Counsellor and a part-time Consultant Psychiatrist. All services are provided on a voluntary basis and it remains the student’s decision whether or not to seek services. Emergency services are available through local private and public health services (see health services section).
DISABILITY SERVICES

Students with disabilities may apply for accommodations that support their learning and well-being while at UWI Cave Hill.

The UWI Cave Hill Student Disability Policy adopted in February 2014 promotes “equal access to all academic and non-academic programmes offered by the Campus, as well as accessibility to the various resources, services and amenities on Campus” for academically qualified students with disabilities.

The **UWI Cave Hill Student Disability Policy** is available for download or viewing at [http://www.cavehill.uwi.edu/newstudents/resources/studentdisabilitypolicy.aspx](http://www.cavehill.uwi.edu/newstudents/resources/studentdisabilitypolicy.aspx)

**Normal Clinic Hours**

| Monday - Friday | 8:30 am - 9:00 pm |

In case of emergencies outside of Clinic hours, students may go directly to the Accident & Emergency Department at Queen Elizabeth Hospital or any other emergency provider of their choice. However, please note that students will be required to make any necessary payments at the point of care. The CariCARE Medical Assistance Plan may be used for reimbursement in this eventuality.

The University does NOT undertake to provide or meet the cost of medical services which cannot be obtained from the Health Clinic. Where, in extraordinary circumstances these are necessary, they must be met by the student, his/her parents, guardians or donors. An emergency loan may be available from the Student Emergency Loan Fund where circumstances warrant.

HIV & AIDS RESPONSE PROGRAMME (UWIHARP)

email: uwiharp@cavehill.uwi.edu

Telephone: (246) 417-4145/6 Fax: (246) 438-9173

The University of the West Indies HIV & AIDS Response Programme (UWIHARP) was established in 2001 with offices at Cave Hill (Barbados), St. Augustine (Trinidad & Tobago) and Mona (Jamaica). UWIHARP is a regional institutional response, tasked with the mission of promoting strategies for the prevention of HIV and AIDS epidemics at the UWI.

UWIHARP is a member of the Caribbean Community’s (CARICOM) Pan-Caribbean Partnership against HIV/AIDS (PANCAP) and works with international, regional and local partners who are dedicated to reducing the transmission of HIV among the Caribbean’s most precious resource; and one of the most vulnerable populations- our youth.

The UWIHARP programme is primarily student-centered, with outreach strategies delivered among the academic and non-academic staff. UWIHARP combines a multi-sectorial approach which encompasses research, education, training and sensitization, and outreach and advocacy. While there is a concentration on HIV and AIDS, the focus includes other sexually transmitted infections (STI), and sexuality and reproductive health related matters. Additionally, a gender and human rights frameworks is the focal point throughout the programme.

The UWIHARP Mission

To build and harness capacity within the University in order to contribute maximally to the national, regional and international effort to control the HIV epidemic, and to mitigate the impact of HIV&AIDS on the University itself and on the wider society.

UWIHARP Principles

UWIHARP takes a multi-pronged, secular approach to provide an enabling and empowering environment that supports male and female students to:

1. Exercise their sexual and reproductive rights;  
2. Think critically and responsibly about their sexual identities and practices;  
3. Make informed decisions on whether or not to engage in sexual activities;  
4. Safely negotiate sexual encounters;  
5. Access student friendly sexual well-being services, including sexual and reproductive health information, commodities and HIV testing.
What we do

Guided by the Mission statement and the overarching principles, UWIHARP uses a rights-based frame to:

1. Build capacity in the area of youth leadership & HIV programming;
2. Provide gender responsive sexual and reproductive health (SRH) outreach strategies;
3. Support the scaling up of access to youth friendly sexual and reproductive health services;
4. Conduct action-based HIV and sexuality research.
5. Support the implementation of UWI HIV Policy among staff.

How we do it

1. Support student centred activities
   - Co-Curricular Course- COCR 2030: Peer Education in Response to HIV&AIDS);

ACCOMMODATION

ON-CAMPUS ACCOMMODATION

Email: accommodation@cavehill.uwi.edu

The Frank Worrell Hall consists of 180 single study rooms in suites of six, contained in ten three-storey blocks, arranged in three clusters. Each cluster is enclosed by a combination of garden walls and common facilities including Resident Assistants’ apartment and laundry unit. The Junior Common Room is the central feature of the communal life of the Hall and is located at the heart of the complex.

Situated on a knoll overlooking the main Campus, the complex captures a panoramic view of the beautifully laid out Campus and the distant view of the Caribbean Sea. The design of the buildings reflects an architectural vernacular of the Barbadian style with modest overhangs and hipped vented gable roofs to permit natural ventilation.

The internal arrangements define each student's space whilst permitting a family life style on each floor and a community in each cluster. Each study room is furnished with a bed, built-in desk and wardrobe and all are equipped with face basins. On each floor there is a communal living/lounge area and fully equipped kitchenette and bathroom facilities. All rooms have Internet access.
**Sherlock Hall**, the first and for many years the only Hall of Residence on Campus can accommodate approximately 90 students. The study rooms comprise single rooms, double rooms and postgraduate flats. Each floor is served by a fully-equipped kitchenette and bathroom facilities and has Internet access.

At Sherlock Hall the communal facilities include a students’ lounge/ TV room, a study room, laundry unit and 2 small seminar rooms. The latter are mainly used for student development and counseling sessions organized and facilitated by the office of Student Services.

The **Keith Hunte Hall** is named after Sir Keith Hunte, a former principal of The UWI Cave Hill Campus. On completion, the Hall will accommodate three blocks and will house 176 students. One block has been completed and contains 64 single rooms in suites of 4. Each floor is arranged in 4 clusters of 4 students each served by a spacious, well equipped kitchen, living and dining area, and bathroom facilities. Each student’s room is outfitted with a ceiling fan, a single bed, built-in desk, wired & wireless internet access, wardrobe and face-basin.

The Keith Hunte Hall is located on University Drive and Highway 1, with easy access to shopping, supermarkets, the main city of Bridgetown and nearby West Coast beaches. It is within five minutes walk from the main campus.

Each Hall has fully equipped laundry facilities where the washers & dryers are operated by tokens sold at the Halls of Residence Business Offices.

During vacation periods, students who wish to remain in residence may do so only with the permission of the Halls Administrator and will be required to pay in advance for their rooms.

All postgraduate students are automatically members of CHAPS. There is no application process nor is there any payment for membership. In order to register with CHAPS simply send an email to chaps@cavehill.uwi.edu.

CHAPS seeks to enrich the postgraduate experience at Cave Hill on academic and personal levels. The association serves as the link between the postgraduate student body and University administration. Representation is provided for postgraduate students on important committees at the Campus and University levels. CHAPS is committed to fostering a strong community among students at Cave Hill and the wider academic community. Assistance can be provided for academic purposes, particularly for research initiatives, as well as for personal concerns.

All postgraduate students are encouraged to get involved with the activities of CHAPS.

ELECTIONS

The Guild’s year runs from April 01 to March 31 and elections are constitutionally due on or before March 15.

Candidates vie for the twenty-two positions available. Being a council member is a serious undertaking, and any elected member of the Guild Council is subject to recall on the basis of non-performance or misconduct according to procedures outlined in the constitution.

GUILD SECURITY

A 24-hour security station is located near the doorway leading to the Guild Office.

Any student whose behaviour is contrary to the accepted norm may be suspended from the Students’ Union for a period not exceeding three months, and in addition, shall lose all or any of the rights, at the discretion of the Guild Council.

STUDENTS UNION

The Students’ Union is managed by the Guild Council and by extension the Union Committee Chairperson. The Union is the centre for student activities and entertainment. The Students’ Union is more than just a spot for Union Socials and Fetes. It’s the place for cultural experiences, and to relax and unwind after or during a stressful day of classes. You can “slam-a-dom,” shoot pool, tune into cable TV, play games or simply take part in some interesting debates.

The Union is always a hive of activity during the semester and especially when the activities for the clubs, societies and faculties are scheduled.

Come, “BE KNOWN”. Your full participation is essential.
STUDENT CLUBS & SOCIETIES

Student organisations and activities are a vital part of University life and are organised and controlled through the Guild of Students. These are academic societies catering to the special interests of students as well as artistic and cultural societies.

The membership fee for a full member of the Guild of Students is Bds$60 per semester, payable with your other University fees at the beginning of Semester I. This fee gives students full access to the Guild Lounge Area as well as Voting and Candidacy Rights at Guild Elections.

The Student Societies are coordinated by the Inter-Clubs Committee while the Games Committee coordinates the sporting activities. Students are encouraged to join the Sports Clubs, Social Clubs, Island Associations, Cultural Clubs, Service Clubs/Volunteer Organisations, “Hobby” Clubs, Academic Campus Associations & Societies or any other club of their liking.

To join any of these Associations, Societies and Clubs contact the Guild Office directly at guildofstudents@cavehill.uwi.edu or feel free to visit the office in person for information.

SPORTS AND GAMES FACILITIES

The sports programme at Cave Hill offers a range of sports including athletics, water sports (sailing, scuba, windsurfing and swimming), football, cricket, volleyball, netball, lawn tennis and basketball.

UWI Games are held every two years with all three campuses competing in several sports. The games are held on each campus in rotation and students are encouraged to participate.

The 3Ws Oval, named in honour of the three Barbadian cricketing greats, Worrell, Weekes and Walcott, was officially opened in 2003. The facility offers an attractive cricket pitch and field, which meet international standards, as well as a cricket school comprising six indoor and two outdoor nets. There is also a “Walk of Fame” monument celebrating West Indies cricket and a charming “verandah” for watching sports activities on the cricket and football fields.

OTHER FACILITIES

Guild facilities include drink machines, food service (open everyday until 7.00 pm), Hair Salon, Smoothie Bar and Guild Bar.

GUILD PUBLICATIONS

The Publications Committee provides an integral and active component of student life on Campus. With publications such as THE CAVE Newspaper, Freshers’ Guide and the Calendar of Events as examples, students are well informed of all aspects of Campus life. Your contribution of articles, things of interest, ideas and comments for the publication is always welcome. These submissions can be sent to guildpcc@mycavehill.uwi.edu.
CIVIC ACTIVITIES

The Guild is actively involved in the international and regional struggles of students, as well as community outreach projects, such as The UWI Summer Camp for Children. Most importantly, the Guild represents students in disputes arising between themselves and the administrative body of The University of the West Indies.

**Orientation** – Guild Council members and student volunteers assist new students with their registration. They also organise Campus tours in an effort to make the registration exercise and settling-in as pleasant and painless as possible.

**Freshers’ Week** – This is a fun-filled week of activities designed to welcome new students to our host country and to the lighter side of Campus life. These activities provide excellent opportunities to get out, find out, hang out and make friends. So come and enjoy the fun.

**Freshers’ Week of Activities:**
- Orientation
- Island Tour
- Cocktail Reception
- Registration Assistance
- Clubs & Societies
- Gospel Fest
- Karaoke
- Freshers’ Fete
- Guild Talks (Lecture/Panel discussion)

Please look out for notices of dates and times of events.

CULTURAL ACTIVITIES

**International Students’ Day** is celebrated annually on November 17. This day should be significant to all students as a symbol of what students of the world are fighting for or against at the local, national and regional level. Issues include the struggle for social justice, the fight against fascism and all other forms of dictatorship and discrimination, the fight for peace, justice and equality combined with the right to education and its liberating potential.

Events to celebrate this day include cultural and academic activities, bazaars, fairs and Woodstock. (Great bargains on jewellery, clothing and food.)

**Caribbean History Month** is celebrated in the month of February and heightens students’ awareness of important events in the development of Caribbean people and society.
Carnival
This is the most anticipated activity on the student’s calendar. Students and staff alike enjoy the camaraderie of the Calypso Competition, the Jump Up Day & After Fete, and the Carnival King & Queen Show.

Activities for Carnival include:
- Calypso Competition
- Treasure Hunt
- Carnival Lime
- J’ouvert
- Carnival Jump-up & After Show

Come enjoy the activities. A full schedule of Guild Activities is available from the Guild Office.

Remember, the Guild can only function effectively with your FULL SUPPORT. You must therefore make a conscious effort to support the Guild to ensure its continued relevance to the needs of the student body and the institution of The University of the West Indies.

Please feel free to visit the Guild Office between the hours of 9:00 am and 5:00 pm. We are always willing to answer questions, deal with your problems, or offer advice.

TRANSPORTATION

[www.cavehill.uwi.edu/studentservices/services/ShuttleServices](http://www.cavehill.uwi.edu/studentservices/services/ShuttleServices)

Shuttle Service and Park-and-ride

To assist with the acute shortage of parking spaces available on Campus, a Park and Ride System is in effect at Cave Hill. Students are strongly advised to park at the National Cultural Foundation (NCF) parking lot and board a University-provided shuttle for the short journey to Campus. This student-only service is provided free of cost. ID cards must be presented upon boarding the shuttle. Shuttle schedules for the new academic year will be posted on the Office of Student Services Website and on Notice Boards around Campus.

**The NCF shuttle begins at 7:45 am and continues through to 10:15 pm at half hour intervals.**

Campus Bus Service

Our aim remains to ultimately assist in the safe and timely commute of the student population to and from the city centre and the immediate surroundings of the Campus.

**The Bridgetown UWI Bus service begins at 7:15 am and continues at half hour intervals until 11:15 pm.** The buses make drop offs and pick-ups at both Probyn Street and Lower Broad Street and return to Campus. Students going to the Graduate Studies Complex at Black Rock should check the schedule for the relevant timetable.

**The Warrens Circle bus route begins at 4:15 pm and continues half hourly intervals through to 11:15 pm.**

There is ongoing effort to continue to enhance the management and scheduling of the buses to ensure quality service to students.

Notes on the regular Barbados bus services

Regular bus services are operated by the government owned Barbados Transport Board, which services the entire island, and by privately owned and operated minibuses. Both services are available up to about 11:00 p.m. daily. The Campus is located on Route 24 “Wanstead Drive”. This route begins in Bridgetown, Cheapside Bus Terminal and runs along University Crescent to Wanstead Drive in Cave Hill.

Bus fare is Bds$2.00 for a one-way trip.

**Due to legal implications, students should embark and disembark from buses ONLY at signposted bus-stops.”**

D. ALCOHOL POLICY

University-Wide Policy

In our pursuit of excellence, intellectual and social development through education, the administration of Cave Hill Campus expects those within its community to be responsible with the use of alcohol. This policy shall guide the use of alcohol everywhere on the properties of this Campus and at all events sponsored by this University. Students and staff members are encouraged to learn about the social, physiological, and psychological consequences of drinking and alcohol abuse. Excessive and high-risk drinking can lead to negative consequences for members of the university's community. Such consequences may include but are not limited to incidents of assault, illness, injury, litter, noise, property damage, and driving under the influence. We all share responsibility for creating an environment that limits dangerous drinking behaviours and, therefore, reduces the likelihood of negative outcomes.

The following shall guide the use of alcohol on Cave Hill Campus:

- All possession, consumption, and distribution of alcohol on this Campus shall be in accordance with applicable Laws of Barbados.

- All members of this Campus are responsible for behaving in a manner that is not disruptive or endangering to themselves or others. Being under the influence of alcohol shall not be a mitigating factor for an individual’s behaviour.

- When persons under 21 years of age can reasonably be expected to be present at an event, proper precautions must be taken to restrict distribution and consumption of alcohol to persons of legal drinking age. Student associations shall adhere to the specific guidelines for events outlined in the regulations governing the holding of student fetes and social events at the Cave Hill Campus.

- Advertising or other communication that references the availability of alcohol at a function must neither promote alcohol as the focus of the event nor promote excessive drinking.

Underage Possession/Consumption:

- Students under 21 years of age are not permitted to purchase, possess, or consume alcoholic beverages. Being under the influence of any amount of alcohol while underage is considered a violation of this provision. The Guild Council, Island Associations or other groups are considered in violation of this provision if they facilitate the acquisition of alcohol by anyone under the age of 21.
Unsafe / Irresponsible Behaviour:
Unsafe or irresponsible behaviour is defined as any action that is harmful or potentially harmful to one's self or others involving the use of alcohol. Such behaviour includes, but is not limited to:

- consuming an excessive quantity of alcohol in a short amount of time;
- participating in or facilitating drinking games;
- consuming through beer bongs;
- use or attempted use of fraudulent identification or another's identification to obtain alcohol; and
- making alcohol available to underage drinkers.

Community Expectations Violation:
It shall be a violation of the alcohol policy to engage in an action while under the influence of alcohol that is disruptive to the community. Such behaviour includes, but is not limited to:

- driving; exhibiting disorderly conduct, damaging property, and/or fighting; littering;
- running away or hiding from University or public officials, including Campus Security or members of the Royal Barbados Police Force;
- vomiting and/or urinating in public; and
- cursing and/or shouting at others.

General Provisions Violation:
The University has established the following general provisions regarding alcohol:

- No kegs are permitted on campus in private rooms, student apartments, commons rooms, or other public space. (Only University-approved bartenders, who will be responsible for and distribute alcohol from kegs in public space at officially-approved events.)
- Only university-approved bartenders are permitted to distribute alcohol on campus, including alcohol from common-source containers.
- Except at events in a licensed facility providing a cash bar, no spirituous liquor or fortified wines may be served to either undergraduates or postgraduates.
- All students on university property consuming or possessing alcohol must carry a valid University identification card or Driver's license.
- Alcohol may not be brought in glass containers to on-campus events.
- No alcoholic beverages are permitted on the surrounding grounds of Campus.
• No alcoholic beverages are permitted within the confines of campus athletic facilities during sporting events.

• The use of alcoholic beverages as a prize is prohibited.

Health and Safety Intervention:

Because health and safety of students are of primary importance, students are encouraged not only to look out for their own health and safety but also for that of their peers. When a person’s health and/or safety is/are threatened or appear(s) to be in jeopardy, immediate action should be taken to prevent injury/illness/danger. Your action may be a call to Campus Security at 417-4003/4164, the Health Clinic at 417-4170/4171 or the Psychological Counselor at 417-4169 for assistance and guidance.

Whatever the particular need/problem, it is important to respond in a responsible and timely manner.

Formal disciplinary action for a violation of the alcohol policy will not be taken against students for whom medical assistance is sought, or against those who seek medical assistance for themselves or for others, provided that the student/group has not violated other university policies that warrant formal disciplinary action.

A student who receives medical assistance may be required to meet with a substance abuse specialist in Counseling or a Counselor from the Office of Student Services for education, assessment, and possible referral for treatment. The student may also be required to complete an educational assignment. Parents of such students under the legal drinking age may also be notified. Members of Island Associations or group who facilitated the acquisition of alcohol may also be required to notify the Office of Student Services and participate in an educational programme for its members, and/or change its processes for hosting events.

In the event that a student fails to meet with the specialist, chooses not to participate in the treatment programme outlined, or exhibits a pattern of abusive behaviour with alcohol, the student may be subject to formal disciplinary action and/or placed on a Medical Leave of Absence or Involuntary Administrative Withdrawal until he/she produces documentation that appropriate treatment has been successfully sought.
